ASX RELEASE

14 March 2017

SECOND SHIPMENT OF LITHIUM CONCENTRATE FROM MT MARION

Mineral Resources Limited (ASX:MIN)("MRL"), Neometals Ltd (ASX:NMT)("Neometals") and Ganfeng Lithium Co. Ltd ("Ganfeng") wish to advise that the second shipment of lithium concentrates from the Mt Marion Lithium Project ('Mt Marion') has departed from the Port of Kwinana.

The 16,662 tonne shipment containing concentrate at +6% and +4% Li_2O was loaded onto the MV Babuza Wisdom which departed Kwinana on Tuesday 14th March enroute to Ganfeng's receiving facility at Zhenjiang Port, China.

This shipment follows the maiden shipment of 15,000 tonnes which departed on 6th February 2017, while the next shipment of approximately 18,000 tonnes of concentrate is expected to be loaded early April, on the MV Pacific Venus, which is returning to port after sailing with the maiden cargo.
