Chapter I. Payment of dividends in the Participants' account (in the Participants bank accounts opened at their settlement banks)

For shareholders natural persons, legal persons or other entities, who, on the registration date, hold shares emphasized in Section II of the Shareholders' Register of Biofarm S.A. in the account opened at the Participant, the dividends will be paid automatically by bank transfer through the Depozitarul Central in the Participants bank accounts opened at their settlement banks, whose clients are the Participants on the payment date, if the respective shareholders have not expressed and communicated their payment option postponed to the Participant, and the Participant failed to communicate it to the Depozitarul Central within the reporting from the registration date.

The postponed payment date is applicable only to non-resident shareholders who do not have an account opened at the Participant and who opts for payment postponement at a later date than the payment date, in order to be able to benefit from the more favourable provisions of the Conventions for the avoidance of double taxation and represent the deadline set in relation with the relevant tax provisions, until the payment of dividends to shareholders who exercised this payment option is postponed.

The payment option is the option expressed by non-resident shareholders who have an account opened at the Participant and it is communicated to the Depozitarul Central by the Participant within the reporting from the registration date carried out in compliance with the applicable legal regime, regarding:

a) the payment of dividends with withholding of tax on dividends at the standard rate provided by the Romanian Tax Code, in force at the date of payment;

b) the payment of dividends with the dividends tax rate duly retained, according to the Conventions for the avoidance of double taxation, under the complete and correct tax documentation, submitted in advance by the shareholder, until **28.08.2025**;

c) postponement of the payment of dividends for a date subsequent to the payment date during 2025, for granting to shareholders the possibility to benefit from the more favourable tax provisions of the Conventions for the avoidance of double taxation, after transmission of the complete and correct tax documentation. The payment of net dividends will be carried out in no more than ten business days from the date of receipt by Biofarm S.A. of the complete and correct supporting documents and of possible requested clarifications.

In the case of shareholders for which Participants have not submitted the supporting documents until **28.08.2025**, the payment of dividends will be carried out on **05.09.2025**, withholding the standard dividend tax rate in force provided by the Romanian Tax Code.
