### 2. RATINGS

Ratings:

Following a request by the Issuer, the Notes to be issued are expected to be rated by Moody's and S&P as follows:

Moody's: Aa3 (Negative)  
S&P: A+ (Negative)

As defined by Moody's, long-term obligations rated "Aa" are judged to be of high quality and are subject to very low credit risk. The modifier "3" indicates that the rating ranks in the lower end of the generic rating category.

As defined by S&P, an "A" long-term issuer credit rating means an obligor has strong capacity to meet its financial commitments but is somewhat more susceptible to the adverse effects of changes in circumstances and economic conditions than obligors in higher-rated categories. The modifier "+" indicates that the rating is in the higher end of the rating category.

Neither Moody's nor S&P is not established in the European Union and none has applied for registration under Regulation (EU) No. 1060/2009.

The ratings of Moody's are endorsed by Moody's Investors Service Ltd., in accordance with Regulation (EU) No. 1060/2009. Moody's Investors Service Ltd., is established in the European Union and registered under Regulation (EU) No. 1060/2009.

The ratings of S&P are endorsed by Standard and Poor's Credit Market Services Europe Ltd., in accordance with Regulation (EU) No. 1060/2009. Standard and Poor's Credit Market Services Europe Ltd. is established in the European Union and registered under Regulation (EU) No. 1060/2009.

In general, European regulated investors are restricted from using a rating for regulatory purposes if such rating is not issued by a credit rating agency established in the European Union and registered under the Regulation (EU) No 1060/2009 ("CRA Regulation") unless the rating is provided by a credit rating agency operating in the European Union before 7 June 2010 which has submitted an application for registration in accordance with the CRA Regulation and such registration is not refused. Such general restriction will also apply in the case of credit ratings issued by non-EU credit rating agencies, unless the relevant credit ratings are endorsed by an EU-registered credit rating agency or the relevant non-EU credit rating agency is certified in

accordance with the CRA Regulation (and such registration, endorsement action or certification, as the case may be, is not refused and has not been withdrawn or suspended).
