About Coinsilium

Coinsilium is a blockchain venture builder, advisor and investor that finances and manages the development of early-stage blockchain technology companies. It does this through its consortium of top-tier investors, industry thought leaders and executive managers. Coinsilium's focus is on driving innovation in fintech and blockchain technologies, enabling businesses to take advantage of growth opportunities. Coinsilium also provides advisory services to companies planning token generation events.

Coinsilium shares are traded on NEX Exchange Growth Market, the primary market for unlisted securities operated by NEX Exchange, a Recognised Investment Exchange under the Financial Services and Markets Act 2000.
