COINSILIUM GROUP LIMITED
("Coinsilium" or the "Company")

Purchase of Own Shares

Coinsilium Group Limited (NEX: COIN), the blockchain venture builder, advisor and investor that finances and manages the development of early-stage blockchain technology companies, is pleased to announce that on 8 November 2018, the Company completed the purchase of 200,000 of its Ordinary Shares in total, at a price of 5.25 pence per share. The purchases were made in accordance with the Company's Articles of Association and with the Board's authority.

The Board is satisfied on reasonable grounds that immediately after the acquisition the value of the Company's assets will exceed its liabilities and the Company will be able to pay its debts as they fall due.

The Company advises that, following this purchase, the Company's issued share capital remains unchanged at 123,486,610 ordinary shares. The total number of ordinary shares with voting rights is now 117,636,110, and 5,850,000 Ordinary Shares are held in treasury. The figure of 117,636,610 should be used by shareholders as the denominator for the calculations by which they will determine if they are required to notify their interest in, or a change to their interest in, the Company under the FCA's Disclosure and Transparency Rules.

The Directors of Coinsilium Group Limited take responsibility for this announcement.
