Notes to Editors:

About Coinsilium

Coinsilium is a venture builder, investor and advisor, supporting early-stage blockchain technology companies and the digital token economy. As the first ever IPO of a blockchain company in 2015, Coinsilium harnesses its experience and wide-ranging network to invest in some of the world's leading blockchain projects such as RSK/IOV Labs, Indorse, Blox and Factom.

Coinsilium shares are traded on NEX Exchange Growth Market, the primary market for unlisted securities operated by NEX Exchange, a Recognised Investment Exchange under the Financial Services and Markets Act 2000.
