Shareholders should read the Notice including the Explanatory Memorandum carefully before deciding how to vote on the Resolutions.

2.1 Proxies

A Proxy Form is attached to the Notice. This is to be used by Shareholders if they wish to appoint a representative (a 'proxy') to vote in their place. All Shareholders are invited and encouraged to attend the Meeting or, if they are unable to attend in person, sign and return the Proxy Form to the Company in accordance with the instructions thereon. Lodgement of a Proxy Form will not preclude a Shareholder from attending and voting at the Meeting in person.

Please note that:

- (a) a member of the Company entitled to attend and vote at the Meeting is entitled to appoint a proxy;
- (b) a proxy need not be a member of the Company; and
- (c) a member of the Company entitled to cast two or more votes may appoint two proxies and may specify the proportion or number of votes each proxy is appointed to exercise, but where the proportion or number is not specified, each proxy may exercise half of the votes.

The enclosed Proxy Form provides further details on appointing proxies and lodging Proxy Forms.

2.2 Voting Prohibition by Proxy Holders (Remuneration of Key Management Personnel)

In accordance with section 250R of the Corporations Act, a vote on Resolution 1 must not be cast (in any capacity) by, or on behalf of:

- (a) a member of the Key Management Personnel whose remuneration details are included in the Remuneration Report; or
- (b) a Closely Related Party of such member.

However, a person described above may cast a vote on Resolution 1 if the vote is not cast on behalf of a person who is excluded from voting on Resolution 1, and:

- (a) the person is appointed as proxy by writing that specifies the way the proxy is to vote on this Resolution; or
- (b) the person is the Chairman and the appointment of the Chairman as proxy does not specify the way the proxy is to vote on the resolution, but expressly authorises the Chairman to exercise the proxy even if the Resolution is connected with the remuneration of a member of the Key Management Personnel.

The Chairman intends to exercise all available proxies in favour of Resolution 1.

3. Annual Report

In accordance with section 317 of the Corporations Act, Shareholders will be offered the opportunity to discuss the Annual Report, including the Financial Report, the Directors' Report and the Auditor's Report for the financial year ended 30 June 2012.

There is no requirement for Shareholders to approve the Annual Report.

At the Meeting, Shareholders will be offered the opportunity to:

- (a) discuss the Annual Report which is available online at www.prairiedownsmetals.com.au;
- (b) ask questions about, or comment on, the management of the Company; and
- (c) ask the auditor questions about the conduct of the audit and the preparation and content of the Auditor's Report.

In addition to taking questions at the Meeting, written questions to the Chairman about the management of the Company, or to the Company's auditor about:

- (a) the preparation and content of the auditor's report;
- (b) the conduct of the audit;
- (c) accounting policies adopted by the Company in relation to the preparation of the financial statements; and
- (d) the independence of the auditor in relation to the conduct of the audit,

may be submitted no later than 5 business days before the Meeting to the Company Secretary at the Company's registered office.

4. Resolution 1 – Remuneration Report

In accordance with subsection 250R(2) of the Corporations Act, the Company must put the Remuneration Report to the vote of Shareholders. The Directors' Report contains the Remuneration Report which sets out the remuneration policy for the Company and the remuneration arrangements in place for the executive Directors, specified executives and non-executive Directors.

In accordance with subsection 250R(3) of the Corporations Act, Resolution 1 is advisory only and does not bind the Directors. If Resolution 1 is not passed, the Directors will not be required to alter any of the arrangements in the Remuneration Report.

The *Corporations Amendment (Improving Accountability on Director and Executive Remuneration) Act 2011* which came into effect on 1 July 2011, amended the Corporations Act to provide that Shareholders will have the opportunity to remove the whole Board except the managing director if the Remuneration Report receives a 'no' vote of 25% or more (**Strike**) at two consecutive annual general meetings.

Where a resolution on the Remuneration Report receives a Strike at two consecutive annual general meetings, the Company will be required to put to Shareholders at the second annual general meeting a resolution on whether another meeting should be held (within 90 days) at which all Directors (other than the managing director) who were in office at the date of approval of the applicable Directors' Report must stand for re-election.

The Company's Remuneration Report did not receive a Strike at the 2011 annual general meeting. If the Remuneration Report receives a Strike at this Meeting, Shareholders should be aware that if a second Strike is received at the 2013 annual general meeting, this may result in the re-election of the Board.

The Chairman will allow a reasonable opportunity for Shareholders as a whole to ask about, or make comments on the Remuneration Report.

Resolution 1 is an ordinary Resolution.

The Chairman intends to exercise all available proxies in favour of Resolution 1.

If the Chairman is appointed as your proxy and you have not specified the way the Chairman is to vote on Resolution 1, by signing and returning the Proxy Form, you are considered to have provided the Chairman with an express authorisation for the Chairman to vote the proxy in accordance with the Chairman's intention, even though the Resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel of the Company.

5. Resolution 2 – Re-election of Director – Mr John Welborn

In accordance with Listing Rule 14.4, a Director must not hold office (without re-election) past the third annual general meeting following the Director's appointment, or 3 years, whichever is longer.

Article 3.8 of the Constitution requires that one third of the Directors must retire at each annual general meeting (rounded down to the nearest whole number).

Article 3.8 provides that a Director who retires under article 3.8 of the Constitution is eligible for re-election.

Resolution 2 therefore provides that Mr John Welborn retires by rotation and seeks re-election.

Details of the qualifications and experience of Mr John Welborn are in the Annual Report.

The Board (excluding Mr John Welborn) recommends that Shareholders vote in favour of Resolution 2.

Resolution 2 is an ordinary resolution.

The Chairman intends to exercise all available proxies in favour of Resolution 2.

6. **Resolution 3 – Re-election of Director – Mr Anastasios (Taso) Arima**

In accordance with Listing Rule 14.4, a Director appointed as a casual vacancy or as an addition to the board must not hold office (without re-election) past the next annual general meeting of the entity.

Article 3.5 of the Constitution provides that if required to do so by the Listing Rules, a newly appointed Director automatically retires at the next annual general meeting and is eligible for re-election by that general meeting.

Resolution 3 therefore provides that Mr Anastasios (Taso) Arima retires as a Director and seeks re-election.

Details of the qualifications and experience of Mr Anastasios (Taso) Arima are in the Annual Report.

The Board (excluding Mr Anastasios (Taso) Arima) recommends that Shareholders vote in favour of Resolution 3.

Resolution 3 is an ordinary resolution.

The Chairman intends to exercise all available proxies in favour of Resolution 3.

7. **Resolution 4 – Approval of 10% Placement Facility**

7.1 **General**

Listing Rule 7.1A enables eligible entities to issue Equity Securities up to 10% of its issued share capital through placements over a 12 month period after the annual general meeting (**10% Placement Facility**). The 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity.

The Company has no immediate intention to use the 10% Placement Facility and is seeking Shareholder approval by way of a special resolution to have the ability to issue Equity Securities under the 10% Placement Facility, if required. The number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to Section 7.2(c) below).

The Board unanimously recommends that Shareholders vote in favour of Resolution 4.

Resolution 4 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

The Chairman intends to exercise all available proxies in favour of Resolution 4.

7.2 Listing Rule 7.1A

(a) Shareholder approval

The ability to issue Equity Securities under the 10% Placement Facility is subject to Shareholder approval by way of a special resolution at an annual general meeting.

(b) Equity Securities

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the company.

The Company, as at the date of the Notice, has on issue Shares and Convertible Securities.

(c) Formula for calculating 10% Placement Facility

Listing Rule 7.1A.2 provides that eligible entities which have obtained Shareholder approval at an annual general meeting may issue or agree to issue, during the 12 month period after the date of the annual general meeting, a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

A is the number of shares on issue 12 months before the date of issue or agreement:

- 1) plus the number of fully paid shares issued in the 12 months under an exception in Listing Rule 7.2;
- 2) plus the number of partly paid shares that became fully paid in the 12 months;
- 3) plus the number of fully paid shares issued in the 12 months with Shareholder approval under Listing Rule 7.1 and 7.4. This does not include an issue of fully paid shares under the entity's 15% placement capacity without Shareholder approval;
- 4) less the number of fully paid shares cancelled in the 12 months.

Note that A has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with Shareholder approval under Listing Rule 7.1 or 7.4.

(d) Listing Rule 7.1 and Listing Rule 7.1A

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1.

At the date of the Notice, the Company has on issue 104,440,598 Shares and therefore has a capacity to issue:

- (i) subject to Shareholder approval being received under Resolution 4, 14,416,090* Equity Securities under Listing Rule 7.1; and
- (ii) subject to Shareholder approval being received under Resolution 4, 10,444,060 Equity Securities under Listing Rule 7.1A.

The actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to Section 7.2(c) above).

(e) Minimum Issue Price

The issue price of Equity Securities issued under Listing Rule 7.1A must be not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 Trading Days immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 5 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

(f) 10% Placement Period

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A is valid from the date of the annual general meeting at which the approval is obtained and expires on the earlier to occur of:

- (i) the date that is 12 months after the date of the annual general meeting at which the approval is obtained; or
- (ii) the date of Shareholder approval of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),

or such longer period as allowed by ASX (**10% Placement Period**).

7.2 Listing Rule 7.1A

The effect of Resolution 4 will be to allow the Directors to issue the Equity Securities under Listing Rule 7.1A during the 10% Placement Period without using the Company's 15% placement capacity under Listing Rule 7.1.

* Note: The Company issued 1,250,000 unlisted securities on 28 May 2012. The Directors are not seeking ratification for the issue of these securities.

7.3 Specific information required by Listing Rule 7.3A

In accordance with Listing Rule 7.3A, information is provided as follows:

- (a) The Equity Securities will be issued at an issue price of not less than 75% of the VWAP for the Company's Equity Securities over the 15 Trading Days immediately before:
 - (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
 - (ii) if the Equity Securities are not issued within 5 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.
- (b) If this Resolution is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the below table (in the case of Convertible Securities, only if the Convertible Securities are converted into Shares). There is a risk that:
 - (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Meeting; and
 - (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date or the Equity Securities are issued as part of consideration for the acquisition of a new asset,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.
- (c) The below table shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A(2) as at the date of the Notice.
- (d) The table also shows:
 - (i) two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and

- (ii) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

Variable 'A' in Listing Rule 7.1A.2		Dilution		
		\$0.30 50% decrease in Issue Price	\$0.60 Issue Price	\$1.20 100% increase in Issue Price
Current Variable A 104,440,598 Shares	10% Voting Dilution	10,444,060 shares	10,444,060 shares	10,444,060 shares
	Funds raised	\$3,133,218	\$6,266,436	\$12,532,872
50% increase in current Variable A 156,660,897 Shares	10% Voting Dilution	15,666,090 shares	15,666,090 shares	15,666,090 shares
	Funds raised	\$4,699,827	\$9,399,654	\$18,799,308
100% increase in current Variable A 208,881,196 Shares	10% Voting Dilution	20,888,120 shares	20,888,120 shares	20,888,120 shares
	Funds raised	\$6,266,436	\$12,532,872	\$25,065,744

The table has been prepared on the following assumptions:

- (i) The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
 - (ii) No Convertible Securities (including any Convertible Securities issued under the 10% Placement Facility) are converted into Shares before the date of the issue of the Equity Securities;
 - (iii) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
 - (iv) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Meeting.
 - (v) The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
 - (vi) The issue of Equity Securities under the 10% Placement Facility consists only of Shares. If the issue of Equity Securities includes Convertible Securities, it is assumed that those Convertible Securities are converted into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
 - (vii) The issue price is \$0.60 being the closing price of Shares on the ASX on 17 October 2012.
- (e) The Company will only issue the Equity Securities during the 10% Placement Period.
- (f) The Company may seek to issue the Equity Securities for the following purposes:
- (i) non-cash consideration for the acquisition of the new resources assets and investments. In such circumstances the Company will provide a valuation of the non-cash consideration as required by Listing Rule 7.1A.3; or
 - (ii) cash consideration. In such circumstances, the Company intends to use the funds raised towards the acquisition of resources assets or investments (which may include costs associated with due diligence and engagement of advisors in assessing new resources assets) and/or continued exploration on the Company's existing coal assets in Poland.

- (g) The Company will comply with the disclosure obligations under Listing Rules 7.1A(4) and 3.10.5A upon issue of any Equity Securities.
- (h) The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:
 - (i) the methods of raising funds that are available to the Company, including but not limited to, rights issue or other issue in which existing security holders can participate;
 - (ii) the effect of the issue of the Equity Securities on the control of the Company;
 - (iii) the financial situation and solvency of the Company; and
 - (iv) advice from corporate, financial and broking advisers (if applicable).
- (i) The allottees under the 10% Placement Facility have not been determined as at the date of the Notice but may include existing substantial Shareholders and/or new Shareholders who are not a related party or an associate of a related party of the Company.

Further, if the Company is successful in acquiring new resources assets or investments, it is possible that the allottees under the 10% Placement Facility will be the vendors of the new assets or investments.
- (j) The Company has not previously obtained Shareholder approval under Listing Rule 7.1A.
- (k) A voting exclusion statement is included in the Notice.
- (l) At the date of the Notice, the Company has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the Equity Securities. No existing Shareholder's votes will therefore be excluded under the voting exclusion in the Notice.

Listing Rule 7.4 provides that where a company in general meeting ratifies the previous issue of securities made pursuant to Listing Rule 7.1 (and provided that

10. Resolution 7 – Adoption of Proposed Constitution

10.1 General

Resolution 7 seeks Shareholder approval for the adoption of the Proposed Constitution in accordance with section 136 of the Corporations Act.

A copy of the Proposed Constitution will be sent to any Shareholder on request and will also be available for inspection at the office of the Company during normal business hours prior to the Meeting and available for inspection at the Meeting.

The Proposed Constitution will be effective from the close of the Meeting.

Resolution 7 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

10.2 Summary of Proposed Constitution

In summary, the Proposed Constitution includes provisions to the following effect:

Shares

The issue of Shares and options by the Company is under the control of the Directors, subject to the Corporations Act, Listing Rules and any rights attached to any special class of Shares.

Preference Shares

The Corporations Act requires certain rights of preference shares to be either set out in the Proposed Constitution or approved in general meeting by special resolution before preference shares are issued.

The Proposed Constitution sets out a framework of rights for preference share issues from which the Board can determine to issue preference shares, without the need to obtain further Shareholder approval every time an allotment of preference shares is proposed. Schedule 6 to the Proposed Constitution contains the framework as well as specific rights of preference shares as to the repayment of capital, requirements for redemption (if the preference shares are redeemable), participation in surplus assets and profits, voting rights and priority of payment of capital and dividends. Other specific terms, including the dividend amount, the redemption date (if applicable) and redemption amount (if applicable), would be set by the issuing resolution of the Directors.

Details of the preference share provisions are contained in Schedule 2 of the Notice.

Reductions of Capital

The Proposed Constitution is consistent with the Corporations Act requirements which must be satisfied by the Company in undertaking an alteration of capital.

Liens

If the Company issues partly paid Shares and a call made on those shares is unpaid, the Company will have a lien over the shares on which the call is unpaid. The lien may be enforced by a sale of those shares.

Transfer of Shares

The Company may participate in any clearing and settlement facility provided under the Corporations Act, the Listing Rules and the ASX Settlement & Transfer Corporation Pty Ltd (**ASTC**) Operating Rules. Transfers through ASTC are affected electronically in ASTC's Clearing House Electronic Sub register System (**CHES**). For the purposes of the Company's participation in the CHES, the Company may issue holding statements in lieu of share certificates. The Company will not charge any fee for registering a transfer of shares. The Directors may refuse to register a transfer of shares in the circumstances permitted or required under the Corporations Act and Listing Rules.

Proportional Takeovers

A proportional takeover bid is one in which the offer or offers only to buy a specified proportion of each Shareholders' shares.

The Proposed Constitution provides for Shareholder approval of any proportional takeover bid for the shares. Subject to the Listing Rules and ASTC Operating Rules, the provisions require the Directors to refuse to register any transfer of shares made in acceptance of a proportional takeover offer until the requisite Shareholder approval has been obtained.

The perceived advantages of including proportional takeover provisions in the Proposed Constitution are that such provisions may:

- (a) enhance the bargaining power of Directors in connection with any potential sale of the Company;
- (b) improve corporate management by eliminating the possible threat of a hostile takeover through longer term planning;
- (c) make it easier for Directors to discharge their fiduciary and statutory duties to the Company and its Shareholders to advise and guide in the event of a proportional bid occurring; and
- (d) strengthen the position of Shareholders of the Company in the event of a takeover, assuming the takeover will result in a sharing of wealth between the offeror and Shareholders, as the more cohesive Shareholders are in determining their response the stronger they are. A requirement for approval can force Shareholders to act in a more cohesive manner. Where Shareholders know that a bid will only be successful if a specified majority of Shareholders accept the offer, they have less to fear by not tendering to any offer which they think is too low.

The perceived disadvantages of including proportional takeover provisions in the Proposed Constitution include the following:

- (a) a vote on approval of a specific bid suffers from a bias in favour of the incumbent Board;
- (b) the provisions are inconsistent with the principle that a share in a public company should be transferable without the consent of other Shareholders; and
- (c) a Shareholder may lack a sufficient financial interest in any particular company to have an incentive to determine whether the proposal is appropriate.

To comply with the Corporations Act, the proportional takeover provisions must be renewed by Shareholders in general meeting at least every 3 years to remain in place.

Details of the proportional takeover provisions are contained in Schedule 3 of the Notice.

Alterations of share capital

Shares may be converted or cancelled with Shareholder approval and the Company's share capital may be reduced in accordance with the requirements of the Corporations Act and the Listing Rules.

Buy Backs

The Company may buy back shares in itself on terms and at such times determined by the Directors.

Disposal of less than a Marketable Parcel

For the sake of avoiding excessive administration costs, the Proposed Constitution contains provisions enabling the Company to procure the disposal of Shares where the Shareholder holds less than a marketable parcel of shares within the meaning of the Listing Rules (being a parcel of shares with a market value of less than \$500). To invoke this procedure, the Directors must first give notice to the relevant Shareholder holding less than a marketable parcel of shares, who may then elect not to have his or her shares sold by notifying the Directors.

The proposed disposal of unmarketable parcel provisions of the Proposed Constitution are set in Schedule 4 of the Notice.

Variation of class rights

Class rights attaching to a particular class of shares may be varied or cancelled with the consent in writing of holders of 75% of the shares in that class or by a special resolution of the holders of shares in that class.

Meetings of Shareholders

Directors may call a meeting of Shareholders whenever they think fit. Shareholders may call a meeting as provided by the Corporations Act. The Proposed Constitution contains provisions prescribing the content requirements of notices of meetings of Shareholders and all Shareholders are entitled to a notice of meeting. Consistent with the new Corporations Act provisions, a meeting may be held in two or more places linked together by audio-visual communication devices. A quorum for a meeting of Shareholders is 2 eligible voters.

The Company will hold annual general meetings in accordance with the Corporations Act and the Listing Rules.

Voting of Shareholders

Resolutions of Shareholders will be decided by a show of hands unless a poll is demanded. On a show of hands each eligible voter present has one vote. On a poll each eligible Shareholder has one vote for each fully paid share held and a fraction of a vote for each partly paid share determined by the amount paid up on that share.

Proxies

An eligible Shareholder may appoint a proxy to attend and vote at the meeting on the Shareholder's behalf. The Proposed Constitution contains provisions specifying the manner of lodgement of proxy instruments. A Shareholder may appoint an individual or corporation to act as its representative.

Directors

Unless changed by the Company in general meeting, the minimum number of directors is 3 and the maximum is 10. The existing directors and the Company may appoint a new Director to fill a casual vacancy or as an addition to the Board. Any such Director must retire at the next following annual general meeting of the Company (at which meeting he or she may be eligible for election as director). No Director other than the Managing Director may hold office for longer than 3 years without submitting himself or herself for re-election.

Powers of Directors

The business of the Company is to be managed by or under the direction of the Directors.

Remuneration of Directors

The Company may pay non-executive Directors a maximum of the total amount as determined by the Shareholders in General Meeting and such sum must not be paid by way of commission on, or percentage of, profits or operating revenue.

The remuneration of executive Directors will be subject to the provisions of any contract between each of them and the Company and may be by way of commission on, or percentage of, profits of the Company, but will not be by way of commission on, or percentage of, operating revenue.

Execution of documents

In accordance with the recent amendments to the Corporations Act, the Proposed Constitution provides for execution of documents by the Company without the use of the Company's company seal.

Dividends

Subject to and in accordance with the Corporations Act, the Listing Rules, the rights of any preference shares and to the rights of the holders of any shares created or raised under any special arrangement as to dividend, the Directors may from time to time declare dividend to be paid to the shareholders entitled to the dividend. Subject to the rights of any preference shares and to the rights of the holders of any Shares created or raised under any special arrangement as to dividend, the dividend as declared shall be payable on all Shares according to the proportion that the amount paid (not credited) is of the total amounts paid and payable (excluding amounts credited) in respect of such Shares.

Indemnities and insurance

To the extent permitted by law, the Company indemnifies every person who is or has been a Director or Secretary of the Company against a liability incurred by that person in his or her capacity as a Director or secretary provided that the liability does not arise out of conduct involving a lack of good faith (otherwise referred to as an excluded liability). A similar indemnity is provided in respect of legal proceedings. The Company may also pay the premiums on directors' and officers' liability insurance.
