Final Audited Results for the Financial Year ended 30 September 2018 and Notice of Annual General Meeting

I have pleasure in presenting your company's Annual Report and Financial Statements for the year ended 30 September 2018.

Your directors continue to follow the same investment strategy, namely to invest in small to medium sized undervalued or fast growing companies, with the investment objective of achieving long term capital growth in excess of the FTSE All Share Index.

We had cash of £167,335 at the year-end (2017: £103,119). The pre-tax profit was £28,702 (2017: pre-tax profit of £228,405).

Despite the uncertain economic environment the Company is in a strong position thanks to its strong cash position and we look forward to being able to take opportunistic investments in small to medium sized undervalued companies as they arise.

The directors have not recommended a dividend.

Managing Director
