GENERAL MEETING RESULTS

Aura Energy Limited (AEE; ASX, AURA; AIM) (Aura) wishes to update shareholders with the outcome of the general meeting of shareholders held on 14 August 2020.

The Company has issued two tables to outline the voting. The first is the table of all votes excluding what the Chairman considered invalid votes. The second includes all votes.

In the first table none of the requisitions were passed so all the motions were defeated.

In the second table the results show that resolutions 2, 3, 4 and 5 were passed whilst resolutions 1 and 6 were rejected.

Based on the powers set out in the Constitution of the Company under CI 13.8, 13.22 and 13.23 as well as at law, the Chairman ruled that the votes cast by Mr Axel Sartingen and an entity controlled by Mr Sartingen were invalid and therefore, all of the resolutions were not carried and the current board will remain.

This announcement has been authorised by the majority of the board of directors with Mr JL Bennett not accepting the outcome.
