APPOINTMENT OF CHIEF OPERATING OFFICER

View Resources Limited ("**View**") is pleased to announce the appointment of Mr. Tim Gooch to the role of Chief Operating Officer. Mr. Gooch will be responsible for operating the current producing nickel assets (Carnilya Hill and Zone 29) and the start-up and operation of the newly acquired Bronzewing Gold Mine.

Mr. Gooch brings to the company a wealth of operating experience in various mining and contracting roles which include:

- General Manager Operations, Jubilee Mines NL;
- General Manager, Singuri Gold Project, Ashanti Goldfields Co Ltd;
- Resident Manager, Mt McClure Gold Mine, Australian Resources Ltd; and
- Project Manager, B.G.C. Contracting.

The Bronzewing feasibility study is progressing as planned with an anticipated completion date at the end of October. To date, the View / Snowden team have completed studies on:

- geology & model validation;
- geotechnical/ground stability; and
- first pass resource evaluation and pit optimisation.

Yours sincerely
