Taseko Acquisitions Sub Ltd. (the “Offeror”), a wholly-owned subsidiary of Taseko Mines Limited (“Taseko”), hereby gives notice that it has varied the terms of its offer dated November 23, 2006 (the “Original Offer”), as varied and extended by the Notice of Variation and Extension dated December 28, 2006 (the “First Variation”) by increasing the price at which it will purchase common shares (the “Common Shares”) of bcMetals Corporation (“bcMetals”) to \$1.15 per Common Share, by amending the “Conditions of the Offer” and by extending the Offer to purchase all of the outstanding Common Shares and Out-Of-The-Money Warrants (the “Out-Of-The-Money Warrants”) of bcMetals, **in accordance with the terms and subject to the conditions contained herein**, until midnight (Pacific time) on Friday, January 19, 2007, unless the Offer is further extended or withdrawn by the Offeror (the “Expiry Time”).

This Notice of Variation and Extension should be read in conjunction with the Original Offer and the circular (the “Original Circular”) dated November 23, 2006 that accompanied the Original Offer, as varied and amended by the First Variation (which together constitute the “Offer and Circular”) and the Letter of Transmittal and Notice of Guaranteed Delivery that accompanied the Original Offer and Original Circular. Except as otherwise set forth herein, the terms and conditions previously set forth in the Offer and Circular and in the related Letter of Transmittal and the Notice of Guaranteed Delivery continue to be applicable in all respects. Unless the context requires otherwise, all references to the “Offer” in the Offer and Circular, the Letter of Transmittal, the Notice of Guaranteed Delivery and this

Notice of Variation and Extension mean the Original Offer as amended hereby, and all references in the Offer and Circular, the Letter of Transmittal, the Notice of Guaranteed Delivery and this Notice of Variation and Extension to the “Circular” mean the Original Circular as amended hereby. Unless the context requires otherwise, capitalized terms used herein but not defined herein have the respective meanings given to them in the Offer and Circular.

Holders of Common Shares and/or Out-Of-The-Money Warrants (the “Holders”) who have validly deposited and not withdrawn their Common Shares and/or Out-Of-The-Money Warrants using the Letter of Transmittal and, if applicable, a Notice of Guaranteed Delivery need take no further action to accept the Offer. Holders who wish to accept the Offer must properly complete and duly execute the Letter of Transmittal (printed on yellow paper) or a facsimile thereof and deposit it, together with the certificates representing their Common Shares and/or Out-Of-The-Money Warrants, as the case may be, and any required evidence confirming that the Holder purporting to accept the Offer is eligible to do so, at one of the offices of Computershare Investor Services Inc. (the “Depository”) in accordance with the instructions in the Letter of Transmittal. Alternatively, Holders may follow the procedure for Book-based Transfer set forth in Section 3 of the Offer to Purchase, “Manner of Acceptance - Procedure for Book-based Transfer”, or the procedure for guaranteed delivery set forth in Section 3 of the Offer to Purchase, “Manner of Acceptance – Procedure for Guaranteed Delivery” using the accompanying Notice of Guaranteed Delivery (printed on green paper) or a facsimile thereof. **Holders whose Common Shares or Out-Of-The-Money Warrants are registered in the name of a broker, investment dealer, bank, trust company or other nominee should contact such registered holder for assistance in depositing their Common Shares and Out-Of-The-Money Warrants in response to the Offer.**

The Offer is made only for Common Shares and Out-Of-The-Money Warrants and is not made for any Options (as defined in the Offer and Circular) or other rights to acquire Common Shares or for other securities convertible into Common Shares. Holders of Options, including warrants that are not Out-Of-The-Money Warrants, who wish to participate in the Offer should exercise such rights to acquire Common Shares and deposit the resulting Common Shares in response to the Offer.

Questions and requests for assistance may be directed to the Depository. Additional copies of this Notice of Variation and Extension, and the Offer and Circular, the Letter of Transmittal and the Notice of Guaranteed Delivery may be obtained without charge from the Depository at its address shown on the last page of this Notice of Variation and Extension.

No person has been authorized to give any information or make any representation other than those contained in the Offer and Circular, the Letter of Transmittal and this Notice of Variation and Extension and, if given or made, that information or representation must not be relied upon as having been authorized by the Offeror.

This Notice of Variation and Extension does not constitute an offer or a solicitation to any person in any jurisdiction in which such offer or solicitation is unlawful. The Offer is not being made to, nor will deposits be accepted from or on behalf of, Holders in any jurisdiction in which the making or acceptance of the Offer would not be in compliance with the laws of such jurisdiction. However, the Offeror may, in its sole discretion, take such action as it may deem necessary to extend the Offer to Holders in any such jurisdiction.

NOTICE TO HOLDERS IN THE UNITED STATES

This transaction has not been approved or disapproved by any United States securities regulatory authority, nor has any such authority passed upon the accuracy or adequacy of the Offer to Purchase, this Notice of Variation and Extension and the Original Circular. Any representation to the contrary is unlawful. The Offer is made for the securities of a foreign issuer and while the Offer is subject to applicable disclosure requirements in Canada, holders should be aware that such requirements are different from those in the United States. Financial information regarding bcMetals included or referred to herein or in the Original Circular has been derived from publicly available financial statements which have been prepared in accordance with Canadian generally accepted accounting principles and thus may not be comparable to financial statements of United States companies.

The enforcement by Holders of civil liabilities under United States federal securities laws may be affected adversely by the fact that each of bcMetals and the Offeror is incorporated and located outside the United States, that most if not all of their respective officers and directors are non-residents of the United States, that all of the experts named herein or in the Original Circular are non-residents of the United States and that all of the assets of the Offeror, bcMetals and said persons are located outside the United States. It may be difficult to compel a foreign company and its affiliates to subject themselves to the judgment of a United States court.

Holders should be aware that the Offeror or its affiliates, directly or indirectly, may bid for or make purchases of Common Shares, or of related securities of bcMetals, during the period of the Offer, as permitted by applicable Canadian laws or provincial laws or regulations and defined in Section 12 of the Offer to Purchase, "Market Purchases" of the Original Circular.

This Notice of Variation and Extension and the Original Circular do not address any United States federal income tax consequences of the Offer to Holders in the United States. Holders in the United States should be aware that disposition of Common Shares and Out-Of-The-Money Warrants will almost certainly have tax consequences both in the United States and in Canada, which may not be described, or fully described herein or in the Original Circular. Accordingly, Holders in the United States should consult their own tax advisors with respect to their particular circumstances and tax considerations applicable to them.

In addition to the foregoing, the Offeror has revised its conditions of the Offer – See Section 3 below.

Holders of Common Shares may tender to the Offer as hereby amended by using the original Letter of Transmittal and/or Notice of Guaranteed Delivery.

2. Recent Developments

Subject to the occurrence of an event of default, no amounts are payable by bcMetals until June 30, 2007. All amounts advanced may be prepaid at any time without penalty. The directors' circular also contains the unanimous recommendation of bcMetals' directors to reject the offer by the Offeror dated November 23, 2006 and varied and extended on December 28, 2006.

January 3, 2007 - Proposed Private Placement of \$1.05 Units. bcMetals announced that it proposed to effect a private placement of units to accredited investors to raise proceeds of up to \$2,000,000. 3. Conditions of the Offer

The Offeror has amended the conditions of the Offer set out in Section 4 of the Offer to Purchase, "Conditions of the Offer". The Offeror has deleted the condition regarding the proposed joint venture between bcMetals and Global International Jiangxi Copper Company Limited, and the Offeror has amended the condition regarding developments in certain outstanding litigation involving bcMetals. Accordingly, Section 4 of the Offer to Purchase, "Conditions of the Offer" is deleted in its entirety and is replaced with the following:

"4. Conditions of the Offer

Notwithstanding any other provision of the Offer, the Offeror shall have the right to withdraw the Offer and not take up and pay for, and shall have the right to extend, subject to applicable law, the period of time during which the Offer is open for acceptance and postpone taking up and paying for, any Common Shares and Out-Of-The-Money Warrants deposited under the Offer, if any of the following conditions are not satisfied in the Offeror's discretion, or expressly waived by the Offeror, at or prior to the Expiry Time:

- (a) there will have been validly deposited and not withdrawn, at the Expiry Time, that number of Common Shares which represent not less than 50% plus one of the Common Shares which are issued and outstanding at the Expiry Time, calculated on a fully-diluted basis, inclusive of the Common Shares previously acquired by the Offeror and its affiliates; provided that all out-of-the-money securities validly tendered to the Offer and not withdrawn shall be excluded from the calculation of the number of fully-diluted Common Shares;
- (b) receipt by the Offeror of satisfactory evidence of termination of any stock options, warrants, stock purchase plans and stock option plans with respect to bcMetals or the Common Shares in accordance with the terms thereof, without prejudice to the rights of the participants under such plans and conditional upon the Offeror taking up the Common Shares and Out-Of-The-Money Warrants deposited to, and not withdrawn from, the Offer;
- (c) the Offeror shall not have become aware of any untrue statement of a material fact, or an omission to state a material fact that is required to be stated or that is necessary to make a statement not misleading in the light of the circumstance in which it was made and at the date it was made in any document filed by or on behalf of bcMetals with any securities commission or similar securities regulatory authorities in any of the provinces of Canada or in the United States, which the Offeror

shall have determined in its sole judgment makes it inadvisable for the Offeror to proceed with the Offer;

- (d) there shall have been no developments since December 21, 2006 that are materially adverse to bcMetals or its subsidiaries in the MiningWatch Canada, Glencore Ltd. or Trafigura Beheer B.V. litigation; and
- (e) following the date of making of this Offer, there shall not have occurred any change having a Material Adverse Effect, and there shall not have occurred a Restricted Event.

The foregoing conditions are for the sole benefit of the Offeror and may be asserted by the Offeror in its sole discretion at any time, regardless of the circumstances giving rise to any such assertion, including any action or inaction by the Offeror. The Offeror may waive any of the foregoing conditions in whole or in part at any time and from time to time in its sole discretion without prejudice to any other rights, which the Offeror may have. The failure by the Offeror at any time to exercise any of the foregoing rights, will not be deemed a waiver of any such right, the waiver of any such right with respect to particular facts and other circumstances will not be deemed a waiver with respect to any other facts and circumstances, and each such right shall be deemed an ongoing right that may be asserted at any time and from time to time by the Offeror. Any determination by the Offeror concerning any event or other matter described in the foregoing conditions will be final and binding upon all parties. For purposes of the foregoing conditions, including the meaning of "Subsequent Acquisition Transaction", "affiliate" means, with respect to any person (as defined in the *Securities Act* (British Columbia)), any other person that directly, or through one or more intermediaries, controls or is controlled by or is under common control with such person or company, and "control" means the possession, direct or indirect, or the power to direct or cause the direction of the management and policies of a person or company, whether through the ownership of voting securities, by contract, or otherwise.

Any waiver of a condition or the withdrawal of the Offer shall be effective upon written notice, or other communication confirmed in writing by the Offeror to that effect, to the Depositary at its principal office in Vancouver, British Columbia or Toronto, Ontario. Forthwith after giving any such notice, the Offeror will make a public announcement of such waiver or withdrawal. If the Offer is withdrawn, the Offeror shall not be obligated to take up or pay for any Common Shares or Out-Of-The-Money Warrants deposited under the Offer, and the Depositary will as soon as practicable return all certificates representing deposited Common Shares or Out-Of-The-Money Warrants, Letters of Transmittal, Notices of Guaranteed Delivery and related documents to the parties by whom they were deposited at the Offeror's expense. See Section 8 of the Offer to Purchase, "Return of Deposited Common Shares and Out-Of-The-Money Warrants".

All other references in the Offer and Circular, Letter of Transmittal and Notice of Guaranteed Delivery to the "Conditions of Offer" shall refer to the conditions as amended above.

4. Time and Manner for Acceptance

The Offer is extended and is now open for acceptance until midnight Pacific time on January 19, 2007 unless extended or withdrawn and Common Shares and Out-Of-The-Money Warrants may be deposited to the Offer in accordance with the provisions of Section 2 of the Offer to Purchase, "Time for Acceptance" and Section 3 of the Offer to Purchase, "Manner of Acceptance".

5. Withdrawal of Deposited Shares

Holders have the right to withdraw Common Shares and Out-Of-The-Money Warrants deposited pursuant to the Offer under the circumstances and in the manner described in Section 6 of the Offer to Purchase, “Withdrawal of Deposited Common Shares and Out-Of-The-Money Warrants”.

6. Take Up of and Payment for Deposited Common Shares and Out-Of-The-Money Warrants

Upon the terms and subject to the conditions of the Offer (including, if the Offer is further extended or varied, the terms and conditions of any such extension or variation), the Offeror will take up Common Shares and Out-Of-The-Money Warrants validly deposited under the Offer (and not withdrawn prior to the Expiry Time pursuant to Section 6 of the Offer to Purchase, “Withdrawal of Deposited Common Shares and Out-Of-The-Money Warrants”) as set forth in Section 7 of the Offer to Purchase, “Payment for Deposited Common Shares and Out-Of-The-Money Warrants”.

7. Consequential Amendments to the Offer and Other Documents

The Offer and Circular, the Letter of Transmittal and the Notice of Guaranteed Delivery are amended to the extent necessary to give effect to the specified amendments set forth in this Notice of Variation and Extension. The estimated revised amount of the Offeror’s bid if 100% successful is \$47.5 million.

8. Offerees’ Statutory Rights

Securities legislation in certain of the provinces and territories of Canada provides securityholders of bcMetals with, in addition to any other rights they may have at law, rights of rescission or to damages, or both, if there is a misrepresentation in a circular or notice that is required to be delivered to such securityholders. However, such rights must be exercised within prescribed time limits. Holders should refer to the applicable provisions of the securities legislation of their province or territory for the particulars of those rights or consult with a lawyer.
