ARTICLE 2 SHARE OPTION PLAN

Establishment of Share Option Plan

2.1 There is hereby established a Share Option Plan to recognize contributions made by Service Providers and to create an incentive for their continuing assistance to the Company and its Affiliates.

Maximum Plan Shares

2.2 The maximum aggregate number of Plan Shares that may be reserved for issuance under the Plan at any point in time is 9.5% of the Outstanding Shares at the time the Plan Shares are reserved for issuance as a result of the grant of an Option, less any Common Shares reserved for issuance under share options granted under Share Compensation Arrangements other than this Plan, unless this Plan is amended pursuant to the requirements of the TSX Policies.

Eligibility

2.3 Options to purchase Common Shares may be granted hereunder to Service Providers from time to time by the Board. Service Providers that are corporate entities will be required to undertake in writing not to effect or permit any transfer of ownership or option of any of its shares, nor issue more of its shares (so as to indirectly transfer the benefits of an Option), as long as such Option remains outstanding, unless the written permission of the TSX and the Company is obtained.

Options Granted Under the Plan

2.4 All Options granted under the Plan will be evidenced by an Option Commitment in the form attached as Schedule A, showing the number of Optioned Shares, the term of the Option, a reference to vesting terms, if any, and the Exercise Price.

2.5 Subject to specific variations approved by the Board, all terms and conditions set out herein will be deemed to be incorporated into and form part of an Option Commitment made hereunder.

Options Not Exercised

2.6 In the event an Option granted under the Plan expires unexercised or is terminated by reason of dismissal of the Optionee for cause or is otherwise lawfully cancelled prior to exercise of the Option, the Optioned Shares that were issuable thereunder will be returned to the Plan and will be eligible for re-issue. For greater certainty options which are exercised thereupon increase the number available to the Plan by the relevant percentage of outstanding shares as provided hereunder.

Powers of the Board

2.7 The Board will be responsible for the general administration of the Plan and the proper execution of its provisions, the interpretation of the Plan and the determination of all questions arising hereunder. Without limiting the generality of the foregoing, the Board has the power to

- (a) allot Common Shares for issuance in connection with the exercise of Options;
- (b) grant Options hereunder;
- (c) subject to Regulatory Approval, amend, suspend, terminate or discontinue the Plan, or revoke or alter any action taken in connection therewith, except that no general amendment or suspension of the Plan will, without the written consent of all Optionees, alter or impair any Option previously granted under the Plan unless as a result of a change in TSX Policies;
- (d) delegate all or such portion of its powers hereunder as it may determine to one or more committees of the Board, either indefinitely or for such period of time as it may specify, and thereafter each such committee may exercise the powers and discharge the duties of the Board in respect of the Plan so delegated to the same extent as the Board is hereby authorized so to do; and
- (e) in its sole discretion amend this Plan (except for previously granted and outstanding Options) to reduce the benefits that may be granted to Service Providers (before a particular Option is granted) subject to the other terms hereof.

Restrictions on Option Grants to Insiders

2.8 The Plan is subject to restrictions that:

(a) the number of Common Shares that may be issued to Insiders as a group under the Plan, when combined with Common Shares to be issued to Insiders under all the Company's other security based compensation plans may not exceed 9.5% of the issued Common Shares within any 12 month period;

(b) the number of Common Shares that may be issuable to Insiders as a group under the Plan, when combined with Common Shares issuable to Insiders under all the Company's other security based compensation plans, may not exceed 9.5% of the Company's issued Common Shares;

(c) the number of Common Shares that may be issuable to directors who are the independent directors (as defined in §§1.4 and 1.5 of National Instrument 52-110) of the Company, which when combined with all of the Company's other Share Compensation Arrangements currently in effect for their benefit (for avoidance of doubt excluding any previously exercised Options or other Share Compensation Arrangement already paid), may not exceed 1% of the Outstanding Shares; provided as well that Common Shares issuable under Options and other Share Compensation Arrangements currently in effect which have been granted to:

(i) any director who was non-independent at the time of grant of Options but who subsequently became an independent director; and

(ii) any director who was an independent director at the time of grant of Options but subsequently becomes a non-independent director;

shall in either such case, be excluded from the calculation of 1% of the Outstanding Shares issuable under the Plan; and

(d) the aggregate annual value of Options that may be granted to each Independent Director under this Plan and any other security based compensation arrangements established or maintained by the Company, may not exceed \$100,000 as calculated by the Black Scholes option pricing model.

Terms or Amendments Requiring Disinterested Shareholder Approval

2.9 None of the following actions will become effective without first obtaining Disinterested Shareholder Approval:

(a) Common Shares being issuable to Insiders under this Plan, when combined with all of the Company's other Share Compensation Arrangements, exceeding 9.5% of the Outstanding Shares;

- (b) Common Shares being issuable to Insiders under this Plan, when combined with all of the Company's other Share Compensation Arrangements, exceeding 9.5% of the Outstanding Shares in any 12 month period;
- (c) a reduction in the exercise price of an Option granted hereunder to an Insider or an extension of the term of an Option granted hereunder benefiting an Insider;
- (d) any change to the Insider Restrictions contemplated by section 2.8
- (e) any change to this section 2.9 which increases the right of the Board to amend this Plan; and
- (f) any change to section 3.5 which would permit additional transferability of options except for normal estate purposes. .

Amendment of the Plan by the Board of Directors

2.10 Subject to the requirements of the TSX Policies and the prior receipt of any necessary Regulatory Approval, the Board may in its absolute discretion, and without shareholder approval, amend or modify the Plan or any Option granted as follows:

- (a) it may make amendments which are of a typographical, grammatical or clerical nature;
- (b) it may change the vesting provisions of an Option granted hereunder;
- (c) it may change the termination provision of an Option granted hereunder which does not entail an extension beyond the original Expiry Date of such Option;
- (d) it may add a cashless exercise feature payable in cash or Common Shares which provides for a full deduction of the number of underlying Common Shares from the Shares reserved hereunder;
- (e) it may make amendments necessary as a result in changes in securities laws applicable to the Company;
- (f) if the Company becomes listed or quoted on a stock exchange or stock market senior to the TSX, it may make such amendments as may be required by the policies of such senior stock exchange or stock market; and
- (g) it may make such amendments as reduce, and do not increase, the benefits of this Plan to Service Providers.

ARTICLE 3 TERMS AND CONDITIONS OF OPTIONS

Exercise Price

3.1 The Exercise Price of an Option will be set by the Board at the time such Option is allocated under the Plan, and cannot be less than the Market Price, calculated on the day before the grant.

Term of Option

3.2 An Option can be exercisable for a maximum of 5 years from the Effective Date.

Vesting of Options

3.3 Vesting of Options is at the discretion of the Board, and will generally be subject to:

- (a) the Service Provider remaining employed by or continuing to provide services to the Company or any of its subsidiaries and Affiliates as well as, at the discretion of the Board, achieving certain milestones which may be defined by the Board from time to time or receiving a satisfactory performance review by the Company or any of its subsidiaries or affiliates during the vesting period; or
- (b) the Service Provider remaining as a Director of the Company or any of its subsidiaries or Affiliates during the vesting period.

Optionee Ceasing to be Director, Employee or Service Provider

3.4 No Option may be exercised after the Service Provider has left the employ/office or has been advised his services are no longer required or his service contract has expired, except as follows:

- (a) in the case of the death of an Optionee, any vested Option held by him at the date of death will become exercisable by the Optionee's lawful personal representatives, heirs or executors until the earlier of one year after the date of death of such Optionee and the date of expiration of the term otherwise applicable to such Option;
- (b) subject to the other provisions of this §3.4, vested Options shall expire 90 days after the date the Optionee ceases to be employed by, provide services to, or be a director or officer of, the Company, and all unvested Options shall immediately terminate without right to exercise same;
- (c) in the case of an Optionee being dismissed from employment or service for cause, such Optionee's Options, whether or not vested at the date of dismissal will immediately terminate without right to exercise same;

(d) in the event of a Change of Control occurring, Options granted to Directors and Officers which are subject to vesting provisions shall be deemed to have immediately vested upon the occurrence of the Change of Control; and

(e) in the event of a Director not being nominated for re-election as a Director of the Company, although consenting to act and being under no legal incapacity which would prevent the Director from being a member of the Board, Options granted which are subject to a vesting provision shall be deemed to have vested on the date of Meeting upon which the Director is not re-elected.

Non Assignable

3.5 Subject to §3.4(a), all Options will be exercisable only by the Optionee to whom they are granted and will not be assignable or transferable.

Adjustment of the Number of Optioned Shares

3.6 The number of Common Shares subject to an Option will be subject to adjustment in the events and in the manner following:

(a) in the event of a subdivision of Common Shares as constituted on the date hereof, at any time while an Option is in effect, into a greater number of Common Shares, the Company will thereafter deliver at the time of purchase of Optioned Shares hereunder, in addition to the number of Optioned Shares in respect of which the right to purchase is then being exercised, such additional number of Common Shares as result from the subdivision without an Optionee making any additional payment or giving any other consideration therefor;

(b) in the event of a consolidation of the Common Shares as constituted on the date hereof, at any time while an Option is in effect, into a lesser number of Common Shares, the Company will thereafter deliver and an Optionee will accept, at the time of purchase of Optioned Shares hereunder, in lieu of the number of Optioned Shares in respect of which the right to purchase is then being exercised, the lesser number of Common Shares as result from the consolidation;

(c) in the event of any change of the Common Shares as constituted on the date hereof, at any time while an Option is in effect, the Company will thereafter deliver at the time of purchase of Optioned Shares hereunder the number of shares of the appropriate class resulting from the said change as an Optionee would have been entitled to receive in respect of the number of Common Shares so purchased had the right to purchase been exercised before such change;

(d) in the event of a capital reorganization, reclassification or change of outstanding equity shares (other than a change in the par value thereof) of the Company, a consolidation, merger or amalgamation of the Company with or into any other company or a sale of the property of the Company as or substantially as an entirety at any time while an Option is in effect, an Optionee will thereafter have the right to purchase and receive, in lieu of the Optioned Shares immediately theretofore purchasable and receivable upon the exercise of the Option, the kind and amount of shares and other

securities and property receivable upon such capital reorganization, reclassification, change, consolidation, merger, amalgamation or sale which the holder of a number of Common Shares equal to the number of Optioned Shares immediately theretofore purchasable and receivable upon the exercise of the Option would have received as a result thereof. The subdivision or consolidation of Common Shares at any time outstanding (whether with or without par value) will not be deemed to be a capital reorganization or a reclassification of the capital of the Company for the purposes of this §3.6(d);

(e) an adjustment will take effect at the time of the event giving rise to the adjustment, and the adjustments provided for in this section are cumulative;

(f) the Company will not be required to issue fractional shares in satisfaction of its obligations hereunder. Any fractional interest in a Common Share that would, except for the provisions of this §3.6(f), be deliverable upon the exercise of an Option will be cancelled and not be deliverable by the Company; and

(g) if any questions arise at any time with respect to the Exercise Price or number of Optioned Shares deliverable upon exercise of an Option in any of the events set out in this §3.6, such questions will be conclusively determined by the Company's auditors, or, if they decline to so act, any other firm of Chartered Accountants, in Vancouver, British Columbia (or in the city of the Company's principal executive office) that the Company may designate and who will have access to all appropriate records and such determination will be binding upon the Company and all Optionees.

Effect of Take Over Bid

3.7 If a Take Over Bid is made to the shareholders generally then the Company shall, immediately upon receipt of notice of the Take Over Bid, notify each Optionee currently holding an Option of the Take Over Bid, with full particulars thereof whereupon such Option may, notwithstanding any vesting requirements set out in any Option Commitment, be permitted to exercise in whole or in part by the Optionee, provided that the Board considers the Take Over Bid to be successful. A Take Over Bid will be deemed successful in the event that:

(a) a competing bid emerges with superior terms or conditions;

(b) the Board endorses the Take Over Bid and recommends that shareholders tender into it;

(c) holders of at least 20% of the Company's Listed Shares, or Insiders who hold at least 50% of Listed Shares held by Insiders, agree to, or announce their intention to, tender such shares to the Take Over Bid; but

provided always that the Board may also consider other criteria to be adequate evidence that the Take Over Bid is a successful one.

Adjustment of Options Expiring During Blackout Period

3.8 Should the Expiry Date for an Option fall within a Blackout Period, or within nine (9) Business Days following the expiration of a Blackout Period, such Expiry Date shall be automatically adjusted without any further act or formality to that day which is the tenth (10th) Business Day after the end of the Blackout Period, such tenth Business Day to be considered the Expiry Date for such Option for all purposes under the Plan. Notwithstanding §2.7, the tenth Business Day period referred to in this §3.8 may not be extended by the Board.

ARTICLE 4 COMMITMENT AND EXERCISE PROCEDURES

Option Commitment

4.1 Upon grant of an Option hereunder, an authorized officer of the Company will deliver or will cause to be delivered to the Optionee an Option Commitment detailing the terms of such Options and upon such delivery the Optionee will be subject to the Plan and have the right to purchase the Optioned Shares at the Exercise Price set out therein subject to the terms and conditions hereof.

Manner of Exercise

- 4.2 An Optionee who wishes to exercise his Option may do so by delivering
- (a) a written notice to the Company or as otherwise directed by the Company specifying the number of Optioned Shares being acquired pursuant to the Option; and
 - (b) cash or a certified cheque payable to the Company for the aggregate Exercise Price for the Optioned Shares being acquired.

Tax Withholding and Procedures

4.3 Notwithstanding anything else contained in this Plan, the Company may, from time to time, implement such procedures and conditions as it determines appropriate with respect to the withholding and remittance of taxes imposed under applicable law, or the funding of related amounts for which liability may arise under such applicable law. Without limiting the generality of the foregoing, an Optionee who wishes to exercise an Option must, in addition to following the procedures set out in §4.2 and elsewhere in this Plan, and as a condition of exercise:

- (a) deliver a certified cheque, wire transfer or bank draft payable to the Company for the amount determined by the Company to be the appropriate amount on account of such taxes or related amounts; or
- (b) otherwise ensure, in a manner acceptable to the Company (if at all) in its sole and unfettered discretion, that the amount will be securely funded;

and must in all other respects follow any related procedures and conditions imposed by the Company.”

Delivery of Optioned Shares and Hold Periods

4.4 As soon as practicable after receipt of the notice of exercise and payment in full for the Optioned Shares being acquired, as described in §4.2, the Company will direct its transfer agent to issue to the Optionee the appropriate number of Optioned Shares. The transfer agent will either issue a certificate representing the Optioned Shares or a written notice in the case of uncertificated shares. Such certificate or written notice, as the case may be, will bear a legend stipulating any resale restrictions required under applicable securities laws.

ARTICLE 5 GENERAL

Employment and Services

5.1 Nothing contained in the Plan will confer upon or imply in favour of any Optionee any right with respect to office, employment or provision of services with the Company, or interfere in any way with the right of the Company to lawfully terminate the Optionee’s office, employment or service at any time pursuant to the arrangements pertaining to same. Participation in the Plan by an Optionee will be voluntary.

No Representation or Warranty

5.2 The Company makes no representation or warranty as to the future market value of Common Shares issued in accordance with the provisions of the Plan or to the effect of the *Income Tax Act* (Canada) or any other taxing statute governing the Options or the Common shares issuable thereunder or the tax consequences to a Service Provider. Compliance with applicable securities laws as to the disclosure and resale obligations of each Participant is the responsibility of such Participant and not the Company.

Interpretation

5.3 The Plan will be governed and construed in accordance with the laws of the Province of British Columbia.

Continuation of the Plan

5.4 This Plan will become effective from and after the date hereof, subject to TSX acceptance, and will remain effective provided that the Plan, or any amended version thereof, receives Shareholder Approval on or before each third annual general meeting of the Company.

Termination

5.5 The Board reserves the right in its absolute discretion to terminate the Plan with respect to all Plan Shares in respect of Options which have not yet been granted hereunder
