May 30, 2017, Vancouver, BC – Taseko Mines Limited (TSX: TKO; NYSE MKT: TGB) (“Taseko”) today announced that it has commenced an offering of US\$250 million aggregate principal amount of Senior Secured Notes due 2022 (the “Notes”). The aggregate principal amount, interest rate and other terms of the Notes will be determined at pricing and are dependent upon market conditions and other factors.

Taseko intends to use the net proceeds from this offering, together with cash on hand, to redeem its outstanding 7.75% Senior Notes due 2019 (the “Existing Notes”) (including accrued interest) and to prepay its secured loan facility (including accrued interest and prepayment costs).

The Notes will not be registered under the U.S. Securities Act of 1933, as amended (the “Securities Act”), or the securities laws of any other jurisdiction. The Notes will not be qualified by a prospectus in Canada. Unless they are registered or qualified by a prospectus, the Notes may be offered and sold, only in transactions that are exempt from registration requirements and from prospectus qualification under Canadian securities laws. In the United States, the Notes will be offered and sold, only to “qualified institutional buyers” (as defined in Rule 144A under the Securities Act) and outside the United States, to non-U.S. persons in compliance with Regulation S under the Securities Act.

This press release is neither an offer to sell nor the solicitation of an offer to buy the Notes, the Existing Notes or any other securities and shall not constitute an offer to sell or solicitation of an offer to buy, or a sale of, the Notes, the Existing Notes or any other securities in any jurisdiction in which such offer, solicitation or sale is unlawful. This press release does not constitute a notice of redemption with respect to the Existing Notes.
