Aéroports de Paris and Select Service Partner aim to create a joint venture for the planning, operation and development of "fast food" retail outlets

Following public consultation, Aéroports de Paris has chosen Select Service Partner to help create a joint venture aimed at planning, operating and developing fast food outlets.

Through this joint venture, Aéroports de Paris plans to improve the services and facilities offered to passengers, who will benefit then from a diversified and revamped range of outlets (French bakeries, coffee shops, fast-casual, Asian and bar brands).

The new company, that should start operating on 1 February 2016, will be jointly owned by Aéroports de Paris and Select Service Partner, operating more than 30 retail outlets over a period of 9 years, particularly in Terminals 2E (hall K and hall L), 2F, T1 and T3 at Paris-Charles de Gaulle Airport.

The new company will be subject to approval by the competition authorities.
