

Roissy, 11 January 2016

Statement from Air France-KLM group following the publication of an article on the website of les Echos.fr on 10 January 2016.

The French newspaper Les Échos has published information on its website about the AFKLM group's results forecast for 2015. The group would like to state that it neither publishes nor makes comments on its results forecast, that the year's accounts have not been finalized and that they will be published on 18 February.
