**Notice Regarding Disclosure of Financial Results for First Quarter of Fiscal Year Ending March 31, 2027
To Be Delayed Beyond 45 Days After First Quarter Ends**

IRISO ELECTRONICS CO., LTD. (“the Company”) hereby announces that the disclosure of its financial results for the first quarter of the fiscal year ending March 31, 2027 is expected to be delayed beyond 45 days after the first quarter ends.

We deeply apologize to our shareholders and investors, as well as to our business partners and all other related parties, for any inconvenience and concern this may cause.

1. Reason for Delay in Disclosure of Financial Results

As announced in the “Notice Regarding Approval Application for Extension of Deadline for Submitting Annual Securities Report for Fiscal Year Ended March 31, 2026” dated June 29, 2026, an independent third-party committee is investigating to verify whether the Company’s overseas subsidiary made improper payments and whether there are any other problems related to accounting process, product quality, or inspection practices.

The investigations by the third-party committee will require additional time. Furthermore, the completion of the financial closing procedures for the fiscal year ended March 31, 2026 and the additional audit procedures to be performed by the Company’s independent auditor, based on the findings of the investigation, are also expected to take a considerable amount of time.

As announced in the “Notice Regarding Approval of Extension of Deadline for Submitting Annual Securities Report for Fiscal Year Ended March 31, 2026” dated June 30, 2026, the filing deadline for the Annual Securities Report has been extended to September 30, 2026.

As the financial closing procedures and audit procedures for the fiscal year ended March 31, 2026 have not yet been completed, the financial closing and audit procedures for the first quarter of the fiscal year ending March 31, 2027 are also expected to be delayed. Accordingly, the Company has decided to postpone the disclosure of the financial results for the first quarter of the fiscal year ending March 31, 2027.

2. Actions Going Forward

At present, the specific announcement dates for the financial results for the fiscal year ended March 31, 2026 and the first quarter of the fiscal year ending March 31, 2027 have not yet been determined. The Company will proceed with the necessary financial closing and audit procedures based on the findings of the independent third-party committee's investigation. The Company will promptly announce the specific disclosure dates once they have been determined.
