**A large consensus in favor of the PlanetArt sale**

At the meeting, management reviewed the agreement to sell PlanetArt signed on June 22 of this year<sup>1</sup>, explained in detail the loan repayments to be made from the proceeds of this sale, and presented the new structure of the Group, which will henceforth focus exclusively on software publishing. The meeting was distinguished by a relaxed atmosphere that contributed to a varied and constructive exchange between shareholders and management.

The resolution concerning the sale of PlanetArt to General Atlantic Credit's Atlantic Park fund and PlanetArt's management team was approved by **over 99%**, attesting to the overwhelming support of shareholders for this transaction. Reinforced by this support, Claranova will be able to finalize the sale of its e-commerce division for personalized objects on Monday June 30, 2025, and complete its transformation into a pure-play SaaS<sup>2</sup> provider.

The other resolutions on the agenda were also approved by more than 99% of the shareholders.
