Eiffage is joining the CAC 40 index

As part of Euronext quarterly reweighting of its indexes, Eiffage will join the CAC 40 on 22 December 2025, Paris bourse main index.

This reflects the market's recognition of the Eiffage group solidity and the relevance of its growth strategy, which is based on the diversity and complementarity of its business lines, as well as its strong European roots. It is also the result of the commitment of its 85,000 employees, most of whom are Eiffage shareholders, who work every day to ensure the Group's sustainable performance.
