## INNATE PHARMA APPOINTS MARCEL ROZENCWEIG, MD, AS SENIOR VICE PRESIDENT, CLINICAL AND REGULATORY STRATEGY

**Marseilles, France, April 27, 2009**

---

Innate Pharma S.A. (Euronext Paris: FR0010331421 – IPH) announces today the strengthening of its management team with the appointment of Marcel Rozencweig, MD, as Senior Vice President in charge of clinical and regulatory strategy.

Dr. Rozencweig is recognized as a world leading expert and opinion leader in medical oncology and anti-cancer drug development. He built and led the clinical research group at Bristol-Myers Squibb (“BMS”) that developed all the NCEs brought by BMS to the market from 1983 to 2001 in the area of cancer (including carboplatin and paclitaxel).

Under his leadership, a total of 17 marketing applications (NDAs or sNDAs<sup>1</sup>) were successfully filed by BMS in the area of cancer, HIV and infectious diseases.

Before joining the industry, Dr. Rozencweig pursued an academic career and currently serves as an Adjunct Associate Professor of Medicine at New York University, NY. He created and chaired a number of European groups (EORTC) devoted to multinational drug-oriented and disease-oriented trials (e.g., Early Clinical Trials Group).

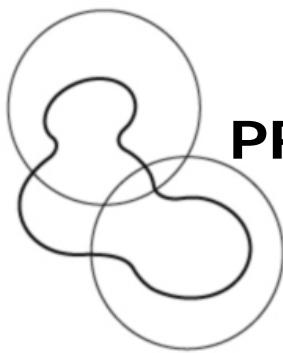

Dr. Rozencweig is a medical doctor, graduated from the Université Libre de Bruxelles, in Belgium. Working part-time for Innate Pharma, he will be based in the US.

*“We are very pleased to welcome Dr. Rozencweig in Innate Pharma’s team. His extensive experience in the development of cancer drugs, and his US perspective well complement the existing expertise within the company”* said Hervé Brailly, Innate Pharma’s CEO. He added: *“His knowledge of the market and key opinion leaders will help us position our drugs and choose the optimal development path for registration in a complex and rapidly evolving environment”*.

*“Joining Innate Pharma is a very exciting opportunity: the Company has a unique portfolio of first-in-class drug candidates and contributing to their development will be a very stimulating challenge for me”* said Dr. Rozencweig.
