

Announcement on an investment of a VC fund belonging to the O3 group

O3 Partners N.V. (registered office: Netherlands, 3013 AK Rotterdam, Stationsplein 45, company registration number: 96066717, hereinafter: the “Company”) hereby informs its esteemed investors of the following:

As a strategic minority shareholder of 3TS Capital Partners and an investor in its TCEE IV growth fund, O3 Partners is pleased to highlight a substantial, € 6,6 million investment in Evrotrust, a leading European Identity and Qualified Trust Service Provider (QTSP). The funding, led by TCEE Fund IV advised by 3TS, will accelerate Evrotrust’s expansion across the DACH and Central & Eastern Europe (CEE) regions, supporting businesses and citizens in achieving eIDAS 2.0 compliance.

“Digital identity is becoming a cornerstone of Europe’s digital infrastructure. Evrotrust’s technology and momentum position them to become the regional leader, and we’re thrilled to support their next phase of expansion,” said Pekka Mäki, Managing Partner at 3TS.

Evrotrust provides a full suite of compliant digital identity solutions, including remote identity verification (KYC/KYB), qualified electronic signatures, timestamps, and electronic delivery services. With over 2 million users from 61 nationalities and more than 200 enterprise clients across 11 countries, Evrotrust is well-positioned to set the standard for secure, auditable, and wallet-ready digital identity services.

The investment reflects the shared vision of O3 Partners and 3TS to support technology-driven companies addressing critical digital infrastructure and regulatory opportunities across Europe. O3 Partners and its family members look forward to contributing to Evrotrust’s continued growth and regional impact.
