## **Audit Committee Charter**

**(Adopted on July 31, 2025)**

### **I. Purpose**

The purpose of the Audit Committee (the “Committee”) of the Board of Directors (the “Board”) of Ares Management Corporation (the “Company”) is to assist the Board in its oversight of: (1) the integrity of the Company’s financial statements; (2) the Company’s compliance with legal and regulatory requirements; (3) the qualifications and independence of any independent registered public accounting firm engaged by the Company; and (4) the performance of the Company’s internal audit function and any independent registered public accounting firm. In particular, the Committee shall:

- serve as an independent party to monitor the Company’s financial reporting processes and internal control system;
- discuss the audit conducted by the Company’s independent registered public accounting firm; and
- provide an open avenue of communication among the independent registered public accounting firm, management and the Board.

While the Committee has the responsibilities and powers set forth in this charter of the Committee (this “Charter”), it is not the duty of the Committee to plan or conduct audits or to determine that the Company’s financial statements and disclosures are complete and accurate, fairly present the information shown or are in accordance with generally accepted accounting principles (“GAAP”) and applicable rules and regulations. These are the responsibilities of management and the independent registered public accounting firm. Nor is it the duty of the Committee to assure compliance with any law, regulation or rule of the New York Stock Exchange (the “NYSE”), or the Company’s Corporate Governance Guidelines or Code of Business Conduct and Ethics. Instead, the Committee shall oversee the Company’s accounting and financial reporting processes and the audits of the Company’s financial statements.

Each member of the Committee shall be entitled to rely on: (1) the integrity of those persons within and outside the Company and management from which it receives information; (2) the accuracy of the financial and other information provided to the Committee absent actual knowledge to the contrary; and (3) statements made by management or other third parties as to any information technology, internal audit and other non-audit services provided by the Company’s independent registered public accounting firm.

### **II. Membership**

The Committee shall consist of no fewer than three directors. Except as may otherwise be permitted by the rules of the NYSE and the Securities and Exchange Commission (the “SEC”), each member of the Committee shall, in the determination of the Board be (1) an “Independent

Director” that (a) satisfies the independence and other requirements established by the NYSE, and (b) meets the independence requirements of Section 10A of the Securities Exchange Act of 1934 (the “Exchange Act”) and SEC Rule 10A-3(b)(1) under the Exchange Act and (2) financially literate, as determined by the Board in its business judgment, or must become financially literate within a reasonable period of time after his or her appointment to the Committee. In addition, the Committee shall at all times include at least one member who has accounting or related financial management expertise, as the Board interprets such qualification in its business judgment and at least one member who is, in the judgment of the Board, an “audit committee financial expert” as defined in Item 407(d)(5)(ii) of SEC Regulation S-K. A person who satisfies this definition of “audit committee financial expert” will also be presumed to have accounting or related financial management expertise. If a Committee member simultaneously serves on the audit committees of more than three public companies, the Board must determine that such simultaneous service would not impair such member’s ability to effectively serve on the Committee and the Company must disclose such determination in its annual proxy statement.

The members of the Committee shall be appointed by the Board to serve in accordance with the organizational documents of the Company, as each may be amended from time to time, and at the discretion of the Board and may be removed or replaced by the Board at any time.

The chairperson of the Committee (the “Chairperson”) shall be elected by the full Board. At each meeting of the Committee, the Chairperson shall act as the chairperson of the meeting. In the absence of the Chairperson, the members of the Committee present shall select another member to preside. The Chairperson shall perform such other duties as may be assigned to him or her by this Charter, the Board or the Committee.

### **III. Meetings; Rules of Procedure**

The Committee shall meet at least quarterly, or more frequently as circumstances dictate. Special meetings may be convened as the Committee deems necessary or appropriate. The Committee may ask members of management or others to attend a meeting of the Committee (or to meet with any member of, or advisors to, the Committee) and provide pertinent information as necessary or desirable. The Committee may adopt such procedures as it deems appropriate and necessary to carry out the duties and responsibilities of the Committee. The Committee shall report regularly to the Board, not less frequently than quarterly. Notice of Committee meetings shall be given in the same manner as notice for special meetings of the Board. A majority of the members of the Committee shall constitute a quorum for the transaction of business at any meeting of the Committee. The act of a majority of the Committee members present at a meeting shall be the act of the Committee.

The Company shall provide for appropriate funding, as determined by the Committee, for payment of: (1) compensation to any independent registered public accounting firm engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attestation services for the Company; (2) compensation to any advisers (including independent counsel and compensation consultants) employed by the Committee; and (3) ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties.
