

Focus Graphite Announces Non-Brokered Private Placements of Flow-Through Shares

KINGSTON, ONTARIO, April 21, 2021 – Focus Graphite Inc. (TSXV: FMS) (the “**Company**” or “**Focus Graphite**”) announced today that it plans to complete a non-brokered private placement of up to 16,666,667 flow-through shares (the “**FT Shares**”) of the Company at a price of \$0.12 per FT Share (the “**Offering Price**”) for aggregate gross proceeds to the Company of \$2,000,000 (the “**Offering**”).

The proceeds of the Offering will be used to support the exploration program on Company’s Tetepisca Graphite Project located southwest of the Manicouagan reservoir in the Cote-Nord administrative region of north- eastern Quebec.

The Offering is expected to close in tranches, with the first tranche to close as soon as possible subject to certain conditions including, but not limited to, the receipt of all necessary approvals, including the approval of the TSX Venture Exchange. The FT Shares will be sold on a private placement basis to accredited investors pursuant to the "accredited investor" exemption or other available and agreed upon exemptions from prospectus requirements. The FT Shares will have a hold period of four months and one day from the date of issue.

The Company may pay finder's fees equal to 7% of the gross proceeds from a portion of the financing in cash, and 7% finders warrants equal to the number of FT Shares issued as part of the Offering (the “**Finder Warrants**”) in accordance with the policies of the TSX Venture Exchange. Each Finder Warrant entitles the finder to purchase one (1) non-flow-through common share at a price of \$0.12 per common share for a period of 24 months from closing of the Offering.

This press release shall not constitute an offer to sell or the solicitation of an offer to buy, nor shall there be any sale of these securities in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction.

About Focus Graphite

Focus Graphite Inc. is an advanced exploration company with an objective of producing flake graphite concentrate at its wholly owned Lac Knife and Lac Tétépisca flake graphite projects located in the Côte-Nord administrative region of Québec. In a second stage, to meet Québec stakeholder interests in developing second transformation industries within the province and to add shareholder value, Focus is evaluating the feasibility of producing value added specialty graphite products including battery-grade spherical graphite.

Focus Graphite is a technology-oriented graphite development company with a vision for building long-term, sustainable shareholder value. Focus also holds a significant equity position in graphene applications developer Grafoïd Inc. For more information about Focus Graphite, please visit www.focusgraphite.com.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.

Forward Looking Information

This news release may contain certain forward-looking information and statements, including without limitation, the closing of the Offerings, statements pertaining to the use of proceeds, and the Company's ability to obtain necessary approvals from the TSX Venture Exchange. All statements included herein, other than statements of historical fact, are forward-looking information and such information involves various risks and uncertainties. There can be no assurance that such information will prove to be accurate, and actual results and future events could differ materially from those anticipated in such information. A description of assumptions used to develop such forward-looking information and a description of risk factors that may cause actual results to differ materially from forward-looking information can be found in Focus Graphite's disclosure documents on the SEDAR website at www.sedar.com. The Company does not undertake to update any forward-looking information except in accordance with applicable securities laws.
