GOLDMAN SACHS GLOBAL HEALTHCARE CONFERENCE

9 JUNE 2020

Safe harbor statement: This presentation includes certain forward-looking statements within the meaning of Section 27A of the U.S. Securities Act of 1933, as amended, and Section 21E of the U.S. Securities Act of 1934, as amended. Forward-looking statements are inherently subject to risks and uncertainties, many of which cannot be predicted with accuracy or might not even be anticipated. The Company has based these forward-looking statements on current estimates and assumptions which we believe are reasonable and which are made to the best of our knowledge. Actual results could differ materially from those included in the forward-looking statements due to various risk factors and uncertainties, including changes in business, economic or competitive conditions, changes in reimbursement, regulatory compliance issues, regulatory reforms, foreign exchange rate fluctuations, uncertainties in litigation or investigative proceedings, cyber security issues and the availability of financing. Given these uncertainties, readers should not put undue reliance on any forward-looking statements. These and other risks and uncertainties are discussed in detail in Fresenius Medical Care AG & Co. KGaA's (FMC AG & Co. KGaA) Annual Report on Form 20-F under the heading "Forward-Looking Statements" and under the headings in that report referred to therein, and in FMC AG & Co. KGaA's other reports filed with the Securities and Exchange Commission (SEC) and the Frankfurt Stock Exchange (Frankfurter Wertpapierbörse).

Forward-looking statements represent estimates and assumptions only as of the date that they were made. The information contained in this presentation is subject to change without notice and the company does not undertake any duty to update the forward-looking statements, and the estimates and assumptions associated with them, except to the extent required by applicable law and regulations.

If not mentioned differently the term net income refers to the net income attributable to the shareholders of Fresenius Medical Care AG Co. KGaA. The term EMEA refers to the region Europe, Middle East and Africa. Amounts are in Euro if not mentioned otherwise.

■ Q1 2020 | UNDERLYING RESILIENCE

- > Revenue growth of 9% supported by growth in all regions
- > Positive Q1 earnings growth despite impact from COVID-19 pandemic
- > Q1 earnings growth excl. COVID-19 pandemic impact would be at the top end of the 2020 guidance range
- > Solid cash-flow development
- > 2020 financial targets confirmed

■ COVID-19 IMPACT

- > Broad and early implementation of wide-ranging measures to ensure continuity of care and reduced the risk of infection for patients and employees at increased cost as important contribution to the healthcare system and society as a whole
- > Pandemic did not cause any major disruptions to production and supply chain continuity
- > While a sizable negative impact had to be adsorbed in Q1, there is no benefit from the CARES Act included in Q1 reported results
- > Cooperation with other providers in the U.S. to create isolation clinics and dedicated shifts for infected patients
