PRESS RELEASE

Infosys Completes Formation of Strategic Partnership with ABN AMRO in the Netherlands

Bengaluru, India and Amsterdam, The Netherlands – May 23, 2019: [Infosys](#) (NYSE: INFY), a global leader in next-generation digital services and consulting, today announced that it has completed the formation of a strategic partnership with ABN AMRO in the Netherlands by acquiring 75% of the shareholding in their wholly owned end-to-end mortgage administration service provider Stater N.V. This follows the announcement the company made on March 28, 2019.

Stater is a market leader in the Benelux region, operating across the mortgage and consumer lending value chain with deep capabilities in digital origination, servicing and collection. Stater has deep European mortgage expertise and a robust digital platform to drive superior customer experience.

This partnership strengthens Infosys' position as a leading technology and business process management provider across the mortgage services value chain, improving experience and operational efficiencies, and further enhances the company's strategy to help clients navigate their next digital transformation journeys. The specialized knowledge and experience of Stater in the mortgage services market, combined with the global reach, AI, digital transformation and automation capabilities of Infosys, can potentially create differentiated solutions for the market.

About Stater

Stater is the largest mortgage service provider of the Benelux. Stater services 1.7 million mortgage and insurance loans for approximately 50 clients in The Netherlands and Belgium. Stater was founded in 1997 and has a solid client base. Several of the largest Dutch and Belgian banks see Stater as a trusted partner for their most important product, mortgages. Stater offers a complete range of mortgage services and is a front runner in digital services regarding mortgages and in developing a digital ecosystem for mortgages.
