New ATP Tour App Designed by Infosys Brings Fans Closer to Pro Tennis Tours

London - November 8, 2019 – Fans of men's professional tennis can dive deeper than ever before into the ATP Tour and ATP Challenger Tour following the release of the ATP's new official mobile app.

Developed in partnership with Infosys and available today for IOS and Android devices, 'ATP Tour app' delivers official live scores, stats, news and video and a personalised feed featuring fans' favourite players and tournaments.

Additionally, through customised notifications, fans will be alerted when their players begin or complete a match and immediately when fresh news and video content about their favourite players has been published. The app has been designed with the support of the London-based design arm of Infosys, Brilliant Basics.

Pravin Rao, Chief Operating Officer, Infosys, said "It's the 5th year of our relationship with the ATP, and we are very excited to continue this digital transformation journey with them. This new app is built with best-in class principles of digital and design and has been created with fans front and centre. It ties in with our overall commitment to the sport, combining our passion for tennis and technology to reimagine the sport for players and fans alike."

Chris Kermode, ATP Executive Chairman & President, said: "We're delighted to announce the launch of the new ATP Tour app. The app will enable tennis fans worldwide to follow the Tour and their favourite players more closely than ever before as we continue to leverage technology to increase engagement with the Tour's growing fan base."

Highlights of the new app include:

- Official point-by-point live scoring of all ATP Tour and ATP Challenger Tour tournaments
- A personalised news feed providing immediate access to the latest content on favourite players and tournaments
- Detailed player bio, data and match statistics
- Daily schedules, draws and results from all ATP Tour and Challenger Tour tournaments
- Official ATP Race & Rankings tables
- Latest news, videos and features on the game's most exciting players and tournaments
- Detailed FedEx ATP Head2Head rivalry information
- Full ATP Tour & Challenger Tour calendar

About the ATP

The ATP is the governing body of the men's professional tennis circuits - the ATP Tour, the ATP Challenger Tour and the ATP Champions Tour. With 64 tournaments in 30 countries, the 2019 ATP

Tour showcases the finest male athletes competing in the world's most exciting venues. From Australia to Europe and the Americas to Asia, the stars of the 2019 ATP Tour will battle for prestigious titles and ATP Rankings points at ATP Masters 1000, 500 and 250 events, as well as Grand Slams (non-ATP events). At the end of the season only the world's top 8 qualified singles players and doubles teams will qualify to compete for the last title of the season at the Nitto ATP Finals. Held at The O2 in London, the event will officially crown the 2019 ATP Tour No. 1. For more information, please visit www.ATPTour.com.

Safe Harbor

Certain statements mentioned in this release concerning our future growth prospects and our future business expectations are forward-looking statements intended to qualify for the 'safe harbor' under the Private Securities Litigation Reform Act of 1995. Such statements involve a number of risks and uncertainties that could cause actual results to differ materially from those in such forward-looking statements. The risks and uncertainties relating to these statements include, but are not limited to, risks and uncertainties regarding fluctuations in earnings, fluctuations in foreign exchange rates, our ability to manage growth, intense competition in IT services including those factors which may affect our cost advantage, wage increases in India, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed-price, fixed-time frame contracts, client concentration, restrictions on immigration, industry segment concentration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks or system failures, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, the success of the companies in which Infosys has made strategic investments, withdrawal or expiration of governmental fiscal incentives, political instability and regional conflicts, legal restrictions on raising capital or acquiring companies outside India, and unauthorized use of our intellectual property and general economic conditions affecting our industry. Additional risks that could affect our future operating results are more fully described in our United States Securities and Exchange Commission filings including our Annual Report on Form 20-F for the fiscal year ended March 31, 2019. These filings are available at www.sec.gov. Infosys may, from time to time, make additional written and oral forward-looking statements, including statements contained in the company's filings with the Securities and Exchange Commission and our reports to shareholders. The company does not undertake to update any forward-looking statements that may be made from time to time by or on behalf of the company unless it is required by law.
