PRESS RELEASE

Infosys Foundation Inaugurates Three Infrastructure Projects in Mysuru

Bengaluru, India – November 18, 2021: [Infosys Foundation](#), the philanthropic and CSR arm of [Infosys](#) (NSE, BSE, NYSE: INFY), today announced the inauguration of three infrastructure development projects in Mysuru, Karnataka.

The Foundation has supported the rejuvenation of the Hebbal Lake and Sewage Treatment Plant construction at a cost of INR 107 Crore, and the building of the Gorilla Enclosures I and II at the Sri Chamarajendra Zoological Gardens in Mysuru at a total cost of INR 7.3 Crore. These projects were virtually inaugurated by Dr. Goutham Bagadi, DC - Mysuru, and Mrs. Sudha Murty, Chairperson, Infosys Foundation.

The inauguration of the Hebbal Lake, Gorilla Enclosure I and the stone laying for Gorilla Enclosure II at the Sri Chamarajendra Zoological Gardens, was also virtually attended by Sri Ravi B P, IFS, APCCF & Member Secretary, ZAK, and Sri Ajit M Kulkarni, IFS, Executive Director.

Speaking at the event, **Mrs. Sudha Murty, Chairperson, Infosys Foundation** said, "Infosys Foundation has always embraced its responsibility to create a positive impact on the environment and the communities it works in. We are happy to complete these infrastructure projects in Mysuru and are grateful to the Government of Karnataka for their support in this endeavor."

As part of these projects in Mysuru, Infosys Foundation will also enable support infrastructure including walkways, permanent fence walls, lighting, garbage disposal, drinking water facility, parks, and tree covers.

About Infosys Foundation

Established in 1996, the Infosys Foundation supports programs in the areas of education, rural development, healthcare, arts and culture, and destitute care. Its mission is to work in remote regions of several states in India. The Infosys Foundation takes pride in working with all sections of society, selecting projects with infinite care, and working in areas that are traditionally overlooked by society at large. Safe Harbor

Certain statements in this release concerning our future growth prospects, financial expectations and plans for navigating the COVID-19 impact on our employees, clients and stakeholders are forward-looking statements intended to qualify for the 'safe harbor' under the Private Securities Litigation Reform Act of 1995, which involve a number of risks and uncertainties that could cause actual results to differ materially from those in such forward-looking statements. The risks and uncertainties relating to these statements include, but are not limited to, risks and uncertainties regarding COVID-19 and the effects of government and other measures seeking to contain its spread, risks related to an economic downturn or recession in India, the United States and other countries around the world, changes in political, business, and economic conditions, fluctuations in earnings, fluctuations in foreign exchange rates, our ability to manage growth, intense competition in IT services including those factors which may affect our cost advantage, wage increases in India, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed-price, fixed-time frame contracts, client concentration, restrictions on immigration, industry segment concentration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks or system failures, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, the success of the companies in which Infosys has made strategic investments, withdrawal or expiration of governmental fiscal incentives, political instability and regional conflicts, legal restrictions on raising capital or acquiring companies outside India, unauthorized use of our intellectual property and general economic conditions affecting our industry and the outcome of pending litigation and government investigation. Additional risks that could affect our future operating results are more fully described in our United States Securities and Exchange Commission filings including our Annual Report on Form 20-F for the fiscal year ended March 31, 2021. These filings are available at www.sec.gov. Infosys may, from time to time, make additional written and oral forward-looking statements, including statements contained in the Company's filings with the Securities and Exchange Commission and our reports to shareholders. The Company does not undertake to update any forward-looking statements that may be made from time to time by or on behalf of the Company unless it is required by law.
