PRESS RELEASE

Infosys Recognized as a Leader in the 2022 Gartner® Magic Quadrant™ for SAP S/4HANA Application Services, Worldwide

Bengaluru, India – August 22, 2022: Infosys (NSE, BSE, NYSE: INFY), a global leader in next-generation digital services and consulting, has been positioned as a Leader in the 2022 Gartner® Magic Quadrant™ for SAP S/4HANA Application Services, Worldwide. Evaluating more than 1,000 data points, Gartner has assessed 20 service providers' capabilities to deliver SAP S/4HANA application services on a worldwide basis.

According to Gartner, Leaders are performing well today, gaining traction and mind share in the market. They have a clear vision of market direction and are actively building competencies to sustain their leadership position in the market. Leaders have built a considerable S/4HANA track record and capabilities across multiple industries, geographies, deployment approaches, or modules.

Infosys is a global strategic services partner of SAP, and it provides transformation-as-a-service to global enterprises under the 'Live Enterprise for RISE with SAP' offering—part of Infosys Cobalt cloud offerings. The service offering brings together a unique set of tools, accelerators, and robust methodologies for quantifiable value discovery and faster deployment of SAP S/4HANA. The Infosys 'Live Enterprise for RISE with SAP' industry template includes Infosys Catalyst that applies pre-configured, industry-specific expertise to accelerate and contextualize S/4HANA-led transformation for enterprises.

Dinesh Rao, Executive Vice President, Co-Head of Delivery, Infosys, said, "The innovative solutions built on SAP S/4HANA industry templates leverage a robust set of methodologies, SAP certified tools, and accelerators. These, along with a comprehensive portfolio of industry cloud solutions, help our clients successfully navigate their digital transformation journeys. We believe this recognition as a Leader in the 2022 Gartner® Magic Quadrant™ for SAP S/4HANA Application Services underpins our strong collaboration with SAP and our expertise in delivering innovative and growth-enabling solutions for clients across industries."

Safe Harbor
Certain statements in this release concerning our future growth prospects, financial expectations and plans for navigating the COVID-19 impact on our employees, clients and stakeholders are forward-looking statements intended to qualify for the 'safe harbor' under the Private Securities Litigation Reform Act of 1995, which involve a number of risks and uncertainties that could cause actual results to differ materially from those in such forward-looking statements. The risks and uncertainties relating to these statements include, but are not limited to, risks and uncertainties regarding COVID-19 and the effects of government and other measures seeking to contain its spread, risks related to an economic downturn or recession in India, the United States and other countries around the world, changes in political, business, and economic conditions, fluctuations in earnings, fluctuations in foreign exchange rates, our ability to manage growth, intense competition in IT services including those factors which may affect our cost advantage, wage increases in India and the US, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed-price, fixed-time frame contracts, client concentration, restrictions on immigration, industry segment concentration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks or system failures, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, the success of the companies in which Infosys has made strategic investments, withdrawal or expiration of governmental fiscal incentives, political instability and regional conflicts, legal restrictions on raising capital or acquiring companies outside India, unauthorized use of our intellectual property and general economic conditions affecting our industry and the outcome of pending litigation and government investigation. Additional risks that could affect our future operating results are more fully described in our United States Securities and Exchange Commission filings including our Annual Report on Form 20-F for the fiscal year ended March 31, 2022. These filings are available at www.sec.gov. Infosys may, from time to time, make additional written and oral forward-looking statements, including statements contained in the Company's filings with the Securities and Exchange Commission and our reports to shareholders. The Company does not undertake to update any forward-looking statements that may be made from time to time by or on behalf of the Company unless it is required by law.
