PRESS RELEASE

Infosys Foundation and Bharatiya Vidya Bhavan Jointly Present a Week-long Cultural Festival

After Mysuru, the next festival will be held in Chandigarh from 9th December

Bengaluru, India – December 9, 2022: Infosys Foundation, the philanthropic and CSR arm of Infosys, today announced that it inaugurated a week-long cultural festival in Chandigarh for the promotion of Indian visual and performing arts. The festival is presented jointly with Bharatiya Vidya Bhavan (BVB). The festival was inaugurated by Honorable Shri. Banwarilal Purohit, Governor, Punjab and UT Administrator**.**

Last month, a similar event was hosted in Mysuru that focused on the theme 'Festivals of India'. Now, for the second such event being held in Chandigarh – from 9th December to 15th December 15, 2022, at Bharatiya Vidya Bhavan, Madhya Marg, Chandigarh – the event theme is 'Contemporary Art'. In the months to come, five more cultural festivals will be held across Hyderabad, Thiruvananthapuram, New Delhi, Mumbai, and Indore.

Krish Shankar, Trustee, Infosys Foundation, said, "Cultural richness and diversity are woven into the fabric of India's identity. At Infosys Foundation, we believe that it is important that we do not let this corrode with time. Our efforts towards promoting and preserving culture are aimed at encouraging artists to come to the forefront and showcase their work, thereby contributing to keep art and culture alive in this ever-evolving world."

H.N. Suresh, Director, Bharatiya Vidya Bhavan, Bengaluru Kendra, said, "Bharatiya Vidya Bhavan has focused on promoting education, art, and culture in myriad ways since its inception. We acknowledge and appreciate the support of the Infosys Foundation in keeping our cultural gems alive and encouraging artists springing from diverse backgrounds to take delight and pride in their work. We hope to strengthen this collaboration to expand its purview and reach more artists."

About Bharatiya Vidya Bhavan
Founded in 1938, Bharatiya Vidya Bhavan's objective is to promote and propagate Indian values and culture spanning literature, music, dance, and other fine arts. Today, it has grown into a multifaceted, worldwide organization.

About Infosys Foundation
Established in 1996, the Infosys Foundation supports programs in the areas of education, rural development, healthcare, women empowerment, arts and culture, and destitute care. Its mission is to work with the underprivileged across the country and strive towards a more equitable society. The Infosys Foundation takes pride in working with all sections of society, selecting projects with infinite care, and working in areas that are traditionally overlooked by society at large.

Safe Harbor
Certain statements in this release concerning our future growth prospects, financial expectations and plans for navigating the COVID-19 impact on our employees, clients and stakeholders are forward-looking statements intended to qualify for the 'safe harbor' under the Private Securities Litigation Reform Act of 1995, which involve a number of risks and uncertainties that could cause actual results to differ materially from those in such forward-looking statements. The risks and uncertainties relating to these statements include, but are not limited to, risks and uncertainties regarding COVID-19 and the effects of government and other measures seeking to contain its spread, risks related to an economic downturn or recession in India, the United States and other countries around the world, changes in political, business, and economic conditions, fluctuations in earnings, fluctuations in foreign exchange rates, our ability to manage growth, intense competition in IT services including those factors which may affect our cost advantage, wage increases in India and the US, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed-price, fixed-time frame contracts, client concentration, restrictions on immigration, industry segment concentration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks or system failures, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, the success of the companies in which Infosys has made strategic investments, withdrawal or expiration of governmental fiscal incentives, political instability and regional conflicts, legal restrictions on raising capital or acquiring companies outside India, unauthorized use of our intellectual property and general economic conditions affecting our industry and the outcome of pending litigation and government investigation. Additional risks that could affect our future operating results are more fully described in our United States Securities and Exchange Commission filings including our Annual Report on Form 20-F for the fiscal year ended March 31, 2022. These filings are available at www.sec.gov. Infosys may, from time to time, make additional written and oral forward-looking statements, including statements contained in the Company's filings with the Securities and Exchange Commission and our reports to shareholders. The Company does not undertake to update any forward-looking statements that may be made from time to time by or on behalf of the Company unless it is required by law.
