7.- AUTHORISATION, FOR A TERM ENDING AT NEXT YEAR'S ANNUAL SHAREHOLDERS' MEETING (OR, IF EARLIER, FIFTEEN MONTHS FROM THE DATE OF PASSING OF THIS RESOLUTION), FOR THE DERIVATIVE ACQUISITION OF THE COMPANY'S OWN SHARES BY THE COMPANY ITSELF AND/OR BY ITS SUBSIDIARIES, UPON THE TERMS PROVIDED BY APPLICABLE LAW AND SUBJECT TO THE FOLLOWING CONDITIONS: (A) THE MAXIMUM AGGREGATE NUMBER OF SHARES WHICH ARE AUTHORISED TO BE PURCHASED SHALL BE THE LOWER OF THE MAXIMUM AMOUNT PERMITTED BY THE LAW AND SUCH NUMBER AS REPRESENTS TEN PER CENT. OF THE AGGREGATE NOMINAL AMOUNT OF THE SHARE CAPITAL AS AT THE DATE OF PASSING THIS RESOLUTION; (B) THE MINIMUM PRICE WHICH MAY BE PAID FOR A SHARE IS ZERO; (C) THE MAXIMUM PRICE WHICH MAY BE PAID FOR A SHARE IS THE HIGHEST OF: (I) AN AMOUNT EQUAL TO FIVE PER CENT. ABOVE THE AVERAGE OF THE MIDDLE MARKET QUOTATIONS FOR THE SHARES AS TAKEN FROM THE RELEVANT STOCK EXCHANGE FOR THE FIVE BUSINESS DAYS IMMEDIATELY PRECEDING THE DAY ON WHICH THE TRANSACTION IS PERFORMED; AND (II) THE HIGHER OF THE PRICE OF THE LAST INDEPENDENT TRADE AND THE HIGHEST CURRENT INDEPENDENT BID ON THE TRADING VENUES WHERE THE TRANSACTION IS CARRIED OUT AT THE RELEVANT TIME; IN EACH CASE, EXCLUSIVE OF EXPENSES.

#### **EXPLANATION:**

Under the Companies Law, shareholders' approval is required for the Company to purchase its own shares, directly or indirectly through its subsidiaries. This resolution grants authority for the Company to make market purchases of its own shares up to a maximum of shares representing ten per cent. of the share capital of the Company. Once purchased by the Company, ordinary shares may be held in treasury or cancelled. The minimum price, exclusive of expenses, for a share is zero and the maximum price, also exclusive of expenses, is the highest of: (i) an amount equal to five per cent. above the average of the middle market quotations for the shares as taken from the relevant stock exchange for the five business days immediately preceding the day on which the transaction is performed; and (ii) the higher of the price of the last independent trade and the highest current independent bid on the trading venues where the transaction is carried out at the relevant time.

Other than for market purchases made under the programme for buying back shares to be held in treasury pending the reduction of capital approved by the Board of Directors at its meeting on February 23, 2017 and announced on March 6, 2017, which will remain in force until no later than December 29, 2017 (the "**Buy-back Programme**"), the Company has no intention currently of using the authority under this Resolution 7 to make market purchases and the seeking of this authority should not be taken to imply that shares will be purchased outside of the Buy-back Programme. Apart from for the purposes of the Buy-back Programme, the Company will use this authority only when it is considered to be in the best interests of the Company and of its shareholders generally and could be expected to result in an increase in the earnings per share of the Company or when it is necessary to cover the execution of share-based remuneration plans or plans linked to the Company's share value.

The Board of Directors considers that it is in the best corporate interest for the Company to have the flexibility to make market purchases of its own shares.

Save for the shares acquired under the Buy-back Programme, which will be cancelled, the shares acquired pursuant to this authorisation may be delivered

directly to the employees or directors of the Company or its subsidiaries or as a result of the exercise of option rights held thereby.

As at May 3, 2017, the Company has issued options outstanding over 19,221,308 shares, representing 0.91 per cent of the Company's share capital (excluding current treasury shares). If the existing authority now being sought by Resolution 7 were to be fully used, the shares would represent 1 per cent of the Company's share capital (excluding treasury shares).

The authority will expire once fifteen months have elapsed from the date of the passing of this resolution or of the conclusion of the annual Shareholders' Meeting of the Company held in 2018, whichever is earlier.

#### **PROPOSED RESOLUTION:**

#### **RESOLUTION 7**

*"To authorise the derivative acquisition of shares of International Consolidated Airlines Group, S.A. within the scope of Article 146 of the Companies Law (Ley de Sociedades de Capital), complying with the applicable legislation and subject to the following conditions:*

- (i) The acquisitions may be made directly by International Consolidated Airlines Group, S.A. or indirectly through its subsidiaries, on the same terms resulting from this resolution.*
- (ii) The acquisitions shall be made through purchase and sale, exchange or any other transaction permitted by the law.*
- (iii) The maximum aggregate number of shares which are authorised to be purchased is the lower of the maximum amount permitted by the law and the number as represents ten per cent. of the share capital as at the date of passing this resolution.*
- (iv) The minimum price which may be paid for a share is zero;*
- (v) The maximum price which may be paid for a share is the highest of:*
  - a) an amount equal to five per cent. above the average of the middle market quotations for the shares as taken from the relevant stock exchange for the five business days immediately preceding the day on which the transaction is performed; and*
  - b) the higher of the price of the last independent trade and the highest current independent bid on the trading venues where the transaction is carried out at the relevant time;*

*in each case, exclusive of expenses.*
- (vi) The authorisation is granted for a term ending at next year's annual Shareholders' Meeting (or if earlier, fifteen months from the date of passing of this resolution).*

*For the purposes of Article 146 of the Companies Law, it is expressly stated that the shares acquired pursuant to this authorisation may be delivered directly to the employees or directors of the Company or its subsidiaries or as a result of the exercise of option rights held thereby.”*

\* \* \*

**8.- AUTHORISATION TO THE BOARD OF DIRECTORS, WITH THE EXPRESS POWER OF SUBSTITUTION, FOR A TERM ENDING AT NEXT YEAR'S ANNUAL SHAREHOLDERS' MEETING (OR, IF EARLIER, FIFTEEN MONTHS FROM THE DATE OF PASSING OF THIS RESOLUTION), TO INCREASE THE SHARE CAPITAL PURSUANT TO THE PROVISIONS OF ARTICLE 297.1.B) OF THE COMPANIES LAW, BY UP TO (A) ONE-THIRD OF THE SHARE CAPITAL AS AT THE DATE OF PASSING THIS RESOLUTION (SUCH AMOUNT TO BE REDUCED BY THE AMOUNT THAT THE SHARE CAPITAL HAS BEEN INCREASED BY AND THE MAXIMUM AMOUNT THAT THE SHARE CAPITAL MAY NEED TO BE INCREASED ON THE CONVERSION OR EXCHANGE OF ANY SECURITIES ISSUED UNDER PARAGRAPH (A) OF RESOLUTION 9); AND (B) UP TO A FURTHER ONE-SIXTH OF THE SHARE CAPITAL AS AT THE DATE OF PASSING THIS RESOLUTION IN CONNECTION WITH AN OFFER BY WAY OF A RIGHTS ISSUE IN ACCORDANCE WITH THE LISTING RULES MADE UNDER PART IV OF THE UNITED KINGDOM FINANCIAL SERVICES AND MARKETS ACT 2000 (SUCH AMOUNT TO BE REDUCED BY THE AMOUNT THAT THE SHARE CAPITAL HAS BEEN INCREASED BY AND THE MAXIMUM AMOUNT THAT THE SHARE CAPITAL MAY NEED TO BE INCREASED ON THE CONVERSION OR EXCHANGE OF ANY SECURITIES ISSUED UNDER PARAGRAPH (B) OF RESOLUTION 9).**

**EXPLANATION:**

Under the Companies Law, shareholders' approval is required to grant the directors the authority to increase the share capital of the Company by issuing new shares against cash contributions.

The authority in this resolution will allow the directors to allot new shares up to one-third of the share capital of the Company as at the date of the passing of this resolution (that, at the date of approval of this proposal by the Board of Directors, would represent a total of 710,996,247 shares with a nominal value of 0.50 euro each) and in the case of a rights issue in accordance with the Listing Rules made under Part IV of the United Kingdom Financial Services and Markets Act 2000 a further one sixth of the aggregate nominal amount of the Company's issued ordinary share capital as at the date of the passing of this resolution (that, at the date of approval of this proposal by the Board of Directors, would represent a total of 355,498,123 shares with a nominal value of 0.50 euro each). The amount of shares which may be issued under this resolution will be reduced by the number of shares which are issued and the maximum number of new shares which may be required to be issued for the purposes of the conversion or exchange of any securities issued under Resolution 9 (if passed).

Pursuant to the provisions of the Companies Law, the shareholders shall have a pre-emptive right to subscribe to any new shares issued under this authorisation, unless such pre-emptive right is excluded on the terms and subject to the limits established in Resolution 10 (if passed).

There are no present plans to use this authority to issue new shares under this Resolution 8. However, the Board of Directors considers it appropriate to have the maximum flexibility permitted by the applicable legislation and corporate governance practices in order to respond to market developments and to enable allotments to take place, should it determine it appropriate to do so without the need to incur the cost and delay of a Shareholders' Meeting of the Company to seek specific authority for an allotment. The Company, at the date of approval of this proposal by the Board of Directors, has 28,498,896 treasury shares.

The authority will expire once fifteen months have elapsed from the date of the passing of this resolution or of the conclusion of the Annual Shareholders' Meeting of the Company held in 2018, whichever is earlier.

The Board of Directors has issued a report in order to justify this proposed resolution in accordance with the provisions of Articles 285, 296.1, 297.1.b) and 506 of the Companies Law.

**PROPOSED RESOLUTION:**

**RESOLUTION 8**

*"To authorise the Board of Directors, to the fullest extent required under applicable law, with express power of substitution, and in accordance with Article 297.1.b) of the Companies Law (Ley de Sociedades de Capital), to increase the share capital of the Company on one or more occasions and when required, through the issuance and placement into circulation of new shares (with or without a premium) the consideration for which shall be cash contributions, under the following terms:*

*1.- Term of the authorisation.- The capital increases subject to this authorisation may be done within a term ending at next year's annual Shareholders' Meeting (or, if earlier, fifteen months from the date of passing of this resolution).*

*2.- Maximum amount authorised.- The aggregate maximum amount of the issuance or issuances of ordinary shares shall be:*

- a) one-third of the share capital as at the date of passing this resolution (such amount to be reduced by the amount that the share capital has been increased by and the maximum amount that the share capital may need to be increased on the conversion or exchange of any securities issued under paragraph a) of section 3 of Resolution 9); and*
- b) a further one-sixth of the share capital as at the date of passing this resolution in connection with an offer by way of a rights issue (such amount to be reduced by the amount that the share capital has been increased by and the maximum amount that the share capital may need to be increased on the conversion or exchange of any securities issued under paragraph b) of section 3 of Resolution 9).*

*For the purposes of this resolution, a "rights issue" means an offer to existing ordinary shareholders to subscribe or purchase further securities in proportion to their ordinary shareholdings (as near as may be practicable, but subject to such exclusions or other arrangements as the Board of Directors may deem necessary or expedient in relation to treasury shares, fractional entitlements, record dates or legal, regulatory or practical problems in, or under the laws of, any territory or any other matter) made (i) by means of the issue of pre-emption rights represented by securities decoupled from the ordinary shares to which they relate and which may be separately traded for a period before payment for the subscription or purchase is due, and (ii) in accordance with the Listing Rules made under Part IV of the United Kingdom Financial Services and Markets Act 2000.*

3.- Scope of the authorisation.- *The Board of Directors may establish, as to all matters not otherwise contemplated, the terms and conditions of the share capital increase and may also freely offer the new shares that are not subscribed for within the period or periods for the exercise of pre-emptive rights. The Board of Directors may also resolve that, in the event of incomplete subscription, the share capital shall be increased only by the amount of the subscriptions made and amend the article of the bylaws relating to share capital and number of shares.*

4.- Admission to listing.- *The Company shall, when appropriate, apply for listing on regulated markets, multilateral trading systems or other secondary markets, organised or otherwise, official or unofficial, Spanish or foreign, of the shares issued under this authorisation and the Board of Directors shall be authorised to carry out all acts and formalities that may be required for admission to listing with the appropriate authorities of the various Spanish or foreign securities markets.*

5.- Power of delegation.- *The Board of Directors is expressly authorised to delegate the powers delegated thereto under this resolution, as permitted by Article 249.2 of the Companies Law.”*

\* \* \*

**9.- AUTHORISATION TO THE BOARD OF DIRECTORS, WITH THE EXPRESS POWER OF SUBSTITUTION, FOR A TERM ENDING AT NEXT YEAR'S ANNUAL SHAREHOLDERS' MEETING (OR, IF EARLIER, FIFTEEN MONTHS FROM THE DATE OF PASSING OF THIS RESOLUTION), TO ISSUE SECURITIES (INCLUDING WARRANTS) CONVERTIBLE INTO AND/OR EXCHANGEABLE FOR SHARES OF THE COMPANY, UP TO A MAXIMUM LIMIT OF 1,000,000,000 EUROS OR THE EQUIVALENT THEREOF IN ANOTHER CURRENCY, PROVIDED THAT THE AGGREGATE SHARE CAPITAL THAT MAY NEED TO BE INCREASED ON THE CONVERSION OR EXCHANGE OF ALL SUCH SECURITIES MAY NOT BE HIGHER THAN: (A) ONE-THIRD OF THE SHARE CAPITAL AS AT THE DATE OF PASSING THIS RESOLUTION (SUCH AMOUNT TO BE REDUCED BY THE AMOUNT THAT THE SHARE CAPITAL HAS BEEN INCREASED UNDER PARAGRAPH (A) OF RESOLUTION 8); AND (B) A FURTHER ONE-SIXTH OF THE SHARE CAPITAL AS AT THE DATE OF PASSING THIS RESOLUTION IN CONNECTION WITH AN OFFER BY WAY OF A RIGHTS ISSUE IN ACCORDANCE WITH THE LISTING RULES MADE UNDER PART IV OF THE UNITED KINGDOM FINANCIAL SERVICES AND MARKETS ACT 2000 (SUCH AMOUNT TO BE REDUCED BY THE AMOUNT THAT THE SHARE CAPITAL HAS BEEN INCREASED UNDER PARAGRAPH (B) OF RESOLUTION 8). ESTABLISHMENT OF THE CRITERIA FOR DETERMINING THE BASIS FOR AND TERMS AND CONDITIONS APPLICABLE TO THE CONVERSION OR EXCHANGE. AUTHORISATION TO THE BOARD OF DIRECTORS, WITH THE EXPRESS POWER OF SUBSTITUTION, TO DEVELOP THE BASIS FOR AND TERMS AND CONDITIONS APPLICABLE TO THE CONVERSION OR EXCHANGE OF SUCH SECURITIES, AS WELL AS TO INCREASE THE SHARE CAPITAL BY THE REQUIRED AMOUNT ON THE CONVERSION.**

**EXPLANATION:**

The authority in this resolution will allow the directors to issue securities (including warrants) convertible into and/or exchangeable for shares of the Company, up to a maximum limit of 1,000,000,000 euros or the equivalent thereof in another currency, and the nominal value of the shares which may be issued on the conversion or exchange of all such securities may not be higher than one-third of the share capital as at the date of the passing of this resolution (that, at the date of approval of this proposal by the Board of Directors, would represent a total of 710,996,247 shares with a nominal value of 0.50 euro each) and in the case of a rights issue in accordance with the Listing Rules made under Part IV of the United Kingdom Financial Services and Markets Act 2000 a further one sixth of the share capital as at the date of the passing of this resolution (that, at the date of approval of this proposal by the Board of Directors, would represent a total of 355,498,123 shares with a nominal value of 0.50 euro each). The amount of shares which may be issued in accordance with the conversion or exchange of such securities will be reduced by the number of new shares issued under Resolution 8 (if passed).

Pursuant to the provisions of the Companies Law, the shareholders shall have a pre-emptive right to subscribe any new convertible securities issued under this authorisation, unless such pre-emptive right is excluded on the terms and subject to the limits established in Resolution 10 below (if passed).

There are no present plans to use this authority to issue securities convertible into and/or exchangeable for shares under this Resolution 9. However, the Board of Directors considers it appropriate to retain the ability to respond to market developments and to be able to issue securities (including warrants) convertible into and/or exchangeable for shares of the Company, without the

need to incur the cost and delay of a Shareholders' Meeting of the Company to seek specific authority to do so.

The authority will expire once fifteen months have elapsed from the date of the passing of this resolution or of the conclusion of the Annual Shareholders' Meeting of the Company held in 2018, whichever is earlier.

The Board of Directors has issued a report in order to justify this proposed resolution in accordance with the provisions of Articles 286, 297 and 511 of the Companies Law.

**PROPOSED RESOLUTION:**

**RESOLUTION 9**

*"To authorise the Board of Directors, with the express power of substitution, pursuant to the general provisions governing the issuance of debentures and the provisions of Articles 286, 297 and 511 of the Companies Law (Ley de Sociedades de Capital) and Article 319 of the Regulations of the Mercantile Registry (Reglamento del Registro Mercantil), to issue securities under the following terms:*

*1.- Securities to be issued.- The securities contemplated in this authorisation may be debentures, bonds and other debt securities that are exchangeable for shares of the Company and/or convertible into shares of the Company, as well as warrants (options to subscribe for new shares of the Company or to acquire existing shares of the Company).*

*2.- Term of the authorisation.- The securities subject to this authorisation may be issued on one or more occasions and when required, within the term ending at next year's annual Shareholders' Meeting (or, if earlier, fifteen months from the date of passing of this resolution).*

*3.- Maximum amount authorised.- The maximum aggregate nominal amount of the issuance or issuances of securities approved under this delegation shall be 1,000,000,000 euros or the equivalent thereof in another currency, provided that the aggregate share capital that may need to be increased on the conversion or exchange of all such securities may not be higher than:*

- a) one-third of the share capital as at the date of passing this resolution (such amount to be reduced by the amount that the share capital has been increased under paragraph a) of section 2 of Resolution 8); and*
- b) a further one-sixth of the share capital as at the date of passing this resolution in connection with an offer by way of a rights issue (such amount to be reduced by the amount that the share capital has been increased under paragraph b) of section 2 of Resolution 8).*

*For the purposes of this resolution, a "rights issue" means an offer to existing ordinary shareholders to subscribe or purchase further securities in proportion to their ordinary shareholdings (as near as may be practicable, but subject to such exclusions or other arrangements as the Board of Directors may deem necessary or expedient in relation to treasury shares, fractional entitlements, record dates or legal, regulatory or practical*

problems in, or under the laws of, any territory or any other matter) made (i) by means of the issue of pre-emption rights represented by securities decoupled from the ordinary shares to which they relate and which may be separately traded for a period before payment for the subscription or purchase is due, and (ii) in accordance with the Listing Rules made under Part IV of the United Kingdom Financial Services and Markets Act 2000.

4.- Scope of authorisation.- This authorisation extends as broadly as is required under law, to the establishment of the various terms and conditions of each issuance. By way of example and not of limitation, the Board of Directors shall be authorised to do the following with respect to each issuance: determine the amount thereof, always within the aforementioned overall quantitative limit; the place of issuance (in Spain or abroad); the domestic or foreign currency, and in the case of a foreign currency, its equivalence in euros; the name or form of the securities, whether they be bonds or debentures, including subordinated debentures, warrants (which may in turn be settled by means of the physical delivery of the shares or, if applicable, through the payment of differences in price), or any other name or form permitted by law; the date or dates of issuance; the number of securities and the par value thereof, which, in the case of convertible and/or exchangeable bonds or debentures, shall not be less than the par value of the shares; in the case of warrants and similar securities, the issue price and/or premium, the exercise price (which may be fixed or variable) and the procedure, period and other terms and conditions applicable to the exercise of the right to subscribe for the underlying shares or, if applicable, the exclusion of such right; the interest rate (whether fixed or variable), and the dates and procedures for payment of the coupon; whether the issuance is perpetual or subject to repayment and, in the latter case, the repayment period and the maturity date or dates; guarantees, reimbursement rate, premiums and lots; the form of representation, as securities or book entries; anti-dilution provisions; the rules applicable to subscription; the rank of the securities and the subordination clauses, if any; the law applicable to the issuance; the power to make application, where appropriate, for the listing of the securities to be issued on Spanish or foreign, official or unofficial, organised or other secondary markets, subject to the requirements established by applicable regulations in each case; and, in general, any other terms of the issuance as well as, if applicable, the appointment of the security-holders' syndicate representative (comisario) and the approval of the basic rules that are to govern the legal relationships between the Company and the syndicate of holders of the securities to be issued, in the event that such syndicate must or is decided to be created.

5.- Basis for and terms and conditions applicable to the conversion and/or exchange.- In the case of issuance of convertible and/or exchangeable debentures or bonds, and for purposes of determining the basis for and terms and conditions applicable to the conversion and/or exchange, it is resolved to establish the following criteria:

- a) The securities issued pursuant to this resolution shall be convertible into shares of the Company and/or exchangeable into shares of the Company, in accordance with a fixed or variable conversion and/or exchange ratio determined or to be determined, with the Board of Directors being authorised to decide whether they are convertible and/or exchangeable, as well as to determine whether they are mandatorily or voluntarily convertible and/or exchangeable, and if voluntarily, at the option of the holder thereof

*and/or of the Company, at the intervals and during the period established in the resolution providing for the issuance.*

- b) In the event that the issuance is convertible and exchangeable, the Board may also provide that the issuer reserves the right at any time to elect between conversion into new shares or the exchange thereof for outstanding shares of the Company, with the nature of the shares to be delivered being determined at the time of conversion or exchange, and may also elect to deliver a combination of newly-issued shares and existing shares of the Company and even to settle the difference in cash.*
- c) For purposes of the conversion and/or exchange, the securities shall be valued at the nominal amount thereof (including, should it be the case, accrued and not paid interests), and the shares at the fixed exchange ratio established in the resolution of the Board of Directors whereby this authorisation is exercised, or at a variable ratio to be determined on the date or dates specified in such resolution of the Board, based on the listing price of the Company's shares on the date(s) or during the period(s) used as a reference in such resolution, at a premium or at a discount, provided, however, that if a discount is established on the price per share, it shall not be greater than twenty five per cent. of the value of the shares used as a reference value as set forth above.*
- d) In no event may the value of the share for purposes of the ratio for conversion of debentures into shares be less than the par value thereof. In addition, pursuant to the provisions of Article 415 of the Companies Law, debentures may not be converted into shares when the nominal value of the former is less than the par value of the latter.*

**6.- Basis and terms and conditions for the exercise of warrants.** - *In the case of issuances of warrants, to which the provisions of the Companies Law on convertible debentures shall apply by analogy, the Board of Directors is authorised to determine, in the broadest terms, in connection with the basis for and terms and conditions applicable to the exercise of such warrants, the criteria applicable to the exercise of rights to subscribe for or of rights to acquire shares of the Company arising from the securities of this kind issued under the delegation granted hereby. The criteria set forth in section 5 above shall apply to such issuances, with such adjustments as may be necessary in order to bring them into compliance with the legal and financial rules governing these kinds of securities.*

**7.- Other powers delegated.** - *This authorisation to the Board of Directors also includes, without limitation, the delegation thereto of the following powers:*

- a) The power to increase the share capital to the extent required to attend requests for conversion and/or for exercise of the right to subscribe for new shares. These power may only be exercised so long as the capital increase the Board of Directors approves for the issue of convertible securities or warrants does not exceed the unused limit authorised in each moment by the Shareholders' Meeting in accordance with Article 297.1.b) of the Companies Law. This authorisation to increase the share capital includes the authorisation to issue and float, on one or more occasions, the shares representing such capital that are necessary to carry out the conversion and/or to exercise the right to subscribe for new shares, as well as the*

*power to amend the article of the bylaws relating to the amount of the share capital and the number of shares and, if appropriate, to cancel the portion of such capital increase that was not required for the conversion of shares and/or the exercise of the right to subscribe for new shares.*

- b) The power to elaborate on and specify the basis for and terms and conditions applicable to the conversion, exchange and/or exercise of the rights to subscribe for and/or acquire shares arising from the securities to be issued, taking into account the criteria set out in sections 5 and 6 above.*
- c) The delegation to the Board of Directors includes the broadest powers that may be required by law in order to interpret, apply, implement and develop the resolutions providing for the issuance of securities that are convertible into or exchangeable for shares of the Company, on one or more occasions, and to carry out the corresponding capital increase, as well as the power to correct and supplement such resolutions as to all matters that may be necessary and to comply with all legal requirements for the successful implementation thereof. To such end, the Board of Directors may correct any omissions or defects in the aforementioned resolutions that may be identified by any Spanish or foreign authorities, officers or bodies, and may also adopt all such resolutions and execute all such public or private documents as it may deem necessary or appropriate in order to adjust the preceding resolutions for the issuance of convertible or exchangeable securities and the corresponding capital increase to the oral or written assessment of the commercial registrar or, in general, of any other Spanish or foreign competent authorities, officers or entities.*

*8.- Admission to trading.- The Company shall, where appropriate, apply for listing on regulated markets, multilateral trading systems or other secondary markets, organised or otherwise, official or unofficial, Spanish or foreign of the securities issued by the Company under this delegation, and the Board of Directors is authorised, as fully as is required by law, to conduct all acts and formalities that may be necessary for admission to listing before the appropriate authorities of the various Spanish or foreign securities markets.*

*9.- Guarantee of issues of convertible and/or exchangeable securities or warrants by subsidiaries.- The Board of Directors is also authorised to guarantee on behalf of the Company, within the limits set forth above, new issuances of convertible and/or exchangeable securities or warrants by subsidiaries during the effective period of this resolution.*

*10.-Power to delegate.- The Board of Directors is expressly authorised to delegate the powers delegated thereto under this resolution, as permitted by Article 249.2 of the Companies Law."*

\* \* \*

**10.- AUTHORISATION TO THE BOARD OF DIRECTORS, WITH THE EXPRESS POWER OF SUBSTITUTION, TO EXCLUDE PRE-EMPTIVE RIGHTS IN CONNECTION WITH THE CAPITAL INCREASES AND THE ISSUANCES OF CONVERTIBLE OR EXCHANGEABLE SECURITIES THAT THE BOARD OF DIRECTORS MAY APPROVE UNDER THE AUTHORITY GIVEN UNDER RESOLUTIONS 8 AND 9 FOR THE PURPOSES OF ALLOTTING SHARES OR CONVERTIBLE OR EXCHANGEABLE SECURITIES IN CONNECTION WITH A RIGHTS ISSUE IN ACCORDANCE WITH THE LISTING RULES MADE UNDER PART IV OF THE UNITED KINGDOM FINANCIAL SERVICES AND MARKETS ACT 2000 OR IN ANY OTHER CIRCUMSTANCES SUBJECT TO AN AGGREGATE MAXIMUM NOMINAL AMOUNT OF THE SHARES SO ALLOTTED AND THAT MAY BE ALLOTTED ON CONVERSION OR EXCHANGE OF SUCH SECURITIES OF FIVE PER CENT. OF THE SHARE CAPITAL AS AT THE DATE OF PASSING THIS RESOLUTION.**

**EXPLANATION:**

As indicated above, if the Board of Directors decides to issue new shares or convertible securities, the Companies Law recognises a pre-emptive subscription right to the shareholders, meaning that these shares or securities must be offered first to existing shareholders in proportion to their existing holdings.

In connection with the capital increases and the issuances of convertible or exchangeable securities that the Board may approve under the authority given under Resolution 8 or Resolution 9 (if passed), this resolution delegates power to the Board of Directors to allot new shares or securities which may be converted or exchanged into new ordinary shares either in accordance with a rights issue in accordance with the Listing Rules made under Part IV of the United Kingdom Financial Services and Markets Act 2000 or where the value of the shares so allotted and that may be allotted on the conversion or exchange of such securities is up to a nominal amount of five per cent. of the share capital as at the date of the passing of this resolution, (that, at the date of approval of this proposal by the Board of Directors, would represent a total of 106,649,437 shares with a nominal value of 0.50 euro each), without the shares or convertible or exchangeable securities first being offered to existing shareholders in proportion to their existing holdings in this moment.

The Board of Directors intends to adhere to the provisions in the UK Pre-emption Group's Statement of Principles as if they applied to a Spanish incorporated company not to allot shares for cash on a non pre-emptive basis in excess of an amount equal to 7.5 per cent. of the total issued ordinary share capital of the Company within a rolling three year period without prior explanation to and consultation with shareholders.

The Board of Directors has issued a report in order to justify the proposed resolution in accordance with the provisions of Articles 506 and 511 of the Companies Law.

**PROPOSED RESOLUTION:**

**RESOLUTION 10**

*"To authorise the Board of Directors, with the express power of substitution, to totally or partially exclude the pre-emptive right, as permitted by Article 506 and Article 511 of the Companies Law (Ley de Sociedades de Capital) in*

*connection with issuances of shares or convertible or exchangeable securities that the Board of Directors may approve under the authority given under Resolutions 8 and 9 above provided that the such capital increases and issuances of convertible or exchangeable securities are:*

- a) for the purposes of allotting shares or convertible or exchangeable securities in connection with a rights issue; or*
- b) in any other circumstances, subject to an aggregate maximum nominal amount of the shares so allotted and that may be allotted on conversion or exchange of such securities of five per cent. of the share capital as at the date of passing this Resolution.*

*For the purposes of this resolution, "rights issue" means an offer to existing ordinary shareholders to subscribe or purchase further securities in proportion to their ordinary shareholdings (as near as may be practicable, but subject to such exclusions or other arrangements as the Board of Directors may deem necessary or expedient in relation to treasury shares, fractional entitlements, record dates or legal, regulatory or practical problems in, or under the laws of, any territory or any other matter) made (i) by means of the issue of pre-emption rights represented by securities decoupled from the ordinary shares to which they relate and which may be separately traded for a period before payment for the subscription or purchase is due, and (ii) in accordance with the Listing Rules made under Part IV of the United Kingdom Financial Services and Markets Act 2000.*

**11.- APPROVAL OF A REDUCTION IN SHARE CAPITAL BY MEANS OF THE CANCELLATION OF UP TO 190,000,000 SHARES (8.9 PER CENT. OF THE SHARE CAPITAL). DELEGATION OF POWERS FOR THE IMPLEMENTATION THEREOF.**

**EXPLANATION:**

At its meeting held on February 23, 2017, the Board of Directors of the Company authorised the implementation of a share buy-back programme. The execution of the programme was announced on March 6, 2017 with the aim of acquiring a maximum number of 190,000,000 shares (8.9 per cent. of the share capital of the Company) (the "**Buy-back Programme**").

The purpose of this Buy-back Programme is to reduce the share capital of the Company by cancelling the shares acquired under the programme, subject to approval of the reduction by the Shareholders' Meeting of the Company.

Consequently, the maximum amount of the capital reduction proposed to the Shareholders' Meeting would be 95,000,000 euros, through the cancellation of up to 190,000,000 shares, representing 8.9 per cent. of the share capital at the time this resolution is approved.

However, pursuant to article 340.3 of the Companies Law, if the Company fails to acquire the maximum number of 190,000,000 shares under the Buy-back Programme, the share capital will be reduced by the amount corresponding to the shares acquired under the programme.

Accordingly, the final figure of the capital reduction and, consequently, the new wording of the bylaw article establishing the Company's share capital will be set by the Board of Directors of the Company according to the final number of shares acquired under the Buy-back Programme.

It is placed on record that, as of the date of approval of the call of the Shareholders' Meeting, the number of ordinary shares acquired by the Company under the Buy-back Programme amounts to a total of 18,515,715 shares.

It is also proposed that the Shareholders' Meeting authorise the Board of Directors to execute the capital reduction no later than one month after the end of the Buy-back Programme, with authority to establish any terms that are not expressly set forth in this resolution.

**PROPOSED RESOLUTION:**

**RESOLUTION 11**

*"To reduce the share capital by way of the cancellation of shares of the Company acquired through the Buy-back Programme for the cancellation thereof as authorised by the Board of Directors at its meeting on February 23, 2017 and announced on March 6, 2017 (the "**Buy-back Programme**") and which will be in force until no later than December 29, 2017, in the following terms:*

*1.- Amount and form of the capital reduction.- The nominal amount of the capital reduction of the Company will be equal to the number of shares acquired under the Buy-back Programme multiplied by 0.5 euro per share, through the cancellation of such shares, up to a maximum of 95,000,000 euros, corresponding to the nominal value of the maximum number of own shares to be acquired under the Buy-back Programme (190,000,000 ordinary shares each with a nominal value of 0.50 euro).*

*In accordance with the provisions below, the final amount of the capital reduction will be set by the Board of Directors according to the final number of shares acquired within the framework of the Buy-back Programme.*

*2.- Procedure for acquisition of the shares that will be cancelled under the Buy-back Programme.- The shares to be cancelled will be acquired by the Company under the Buy-back Programme, which will be in force until no later than December 29, 2017 and which will be carried out subject to such terms as to price and volume as are established in article 5 of Regulation (EU) No 596/2014 of the European Parliament and of the Council of 16 April 2014 on market abuse and in Commission Delegated Regulation (EU) No 2016/1052 of 8 March 2016 supplementing Regulation (EU) No 596/2014 of the European Parliament and of the Council with regard to regulatory technical standards for the conditions applicable to buy-back programmes and stabilisation measures.*

*In accordance with the foregoing, pursuant to article 340.3 of the Companies Law, if the Company fails to acquire the maximum number of 190,000,000 shares, each with a nominal value of 0.5 euro, under the Buy-back Programme, it will be understood that the share capital is reduced by the sum of the amount corresponding to the shares effectively acquired within the framework of the Buy-back Programme.*

*3.- Procedure for the reduction and reserves with a charge to which it is carried out.- Pursuant to the provisions of article 342 of the Companies Law, the capital reduction must be implemented within one month following the expiration of the Buy-back Programme.*

*The capital reduction does not entail a return of contributions to shareholders because the Company itself is the holder of the shares being cancelled, and it will be carried out with a charge to unrestricted reserves by funding a retired capital reserve in an amount equal to the nominal value of the cancelled shares; such reserve may only be used by complying with the same requirements as those applicable to a reduction in share capital, as provided by article 335 c) of the Companies Law.*

*Therefore, in accordance with the provisions of such article, creditors of the*

*Company will not be entitled to assert the right of objection contemplated by article 334 of the Companies Law in connection with the capital reduction.*

**4.- Delegation of powers.** *- To delegate to the Board of Directors, with express powers of substitution, the powers necessary to implement this resolution within a period not to exceed one month following the expiration of the Buy-back Programme, with authority to establish any terms that are not expressly set forth in this resolution or that are a consequence hereof. In particular, and by way of example only, the following powers are delegated to the Board of Directors, with express powers of substitution:*

- a) To modify the maximum number of shares that may be bought back by the Company, within the limits set in this resolution and by law, as well as any other terms and conditions of the Buy-back Programme, all in accordance with the applicable legislation.*

- c) To cause all announcements required by law to be published, acquire the shares under the Buy-back Programme, and, within one month following the expiration of the Buy-back Programme, cancel the shares in accordance with the terms approved herein.*
- d) To declare the approved capital reduction to be completed and implemented, establishing, for such purpose, the final number of shares that must be cancelled and, as a result, the amount by which the share capital of the Company must be reduced in accordance with the rules specified in this resolution.*
- e) To set the final amount of the capital reduction based on the provisions of this resolution and establish any other terms that may be required to implement it, all in accordance with the terms and conditions set forth above.*
- f) To amend the article of the By-Laws setting the share capital such that it reflects the amount of share capital and the number of outstanding shares resulting from the implementation of the capital reduction.*
- g) To take such steps and carry out such formalities as may be required or appropriate and submit such documents as may be necessary to the competent bodies such that, once the shares of the Company have been cancelled and the notarial instrument for the capital reduction has been executed and registered with the Commercial Registry, the cancelled shares are delisted from the relevant stock exchanges and are removed from the corresponding book-entry registers.*
- h) To perform all acts that may be necessary or appropriate to implement and formalise the capital reduction before any Spanish or foreign public or*

*private entities and agencies, including acts for purposes of representation, supplementation, or correction of defects or omissions that might prevent or hinder the full effectiveness of the foregoing resolutions.*

*Pursuant to the provisions of article 249.2 of the Companies Law, the Board of Directors is expressly authorised to further delegate the powers referred to in this resolution."*
