PRIVILEGED INFORMATION

In accordance with and for purposes of article 248, no. 1, paragraph a), of the Securities Code, The Navigator Company, S.A. ("Navigator Company") hereby informs that, early this afternoon, a fire broke out in the Group's tissue mill located in Vila Velha de Ródão. The internal emergency procedures were immediately activated, and support from local authorities was requested, with several fire brigades from the Castelo Branco district mobilized, in addition to the mill's own firefighting systems. No personnel injuries were registered.

Although it is not yet possible to ascertain the cause of the fire and the full extent of the material damages, the fire was contained to the paper production area, without causing any damage to paper machine number 2. The fire did not damage the converting area, or any of the finished product warehouses, and the mill's normal operations and regular supply to customers will not be affected.
