

MOTA-ENGIL CONCLUDES THE SALE OF ITS STAKE IN INDAQUA

MOTA-ENGIL, SGPS, S.A. (“MOTA-ENGIL”) informs that, today, it has concluded the sale of its 50.06% stake in INDAQUA – INDÚSTRIA E GESTÃO DE ÁGUAS, SA (“INDAQUA”) to the company Miya Water Portugal SGPS, S.A. (Group Miya), a subsidiary of Arison Investments, an American-Israeli investment group, for a total amount of €60 million (Equity).

The completion of this transaction follows the agreement announced by MOTA-ENGIL on February 11, 2016 and is in line with the strategy to focus the Environment & Services segment’s resources in the waste collection, treatment and recycling activities.

In addition, and in line with the financial strategy goals, the proceeds of this transaction will allow to strengthen MOTA-ENGIL’s capital structure.

INDAQUA controls 6 concession companies in the water segment, in 7 Portuguese municipalities with around 600 thousand inhabitants.
