

MOTA-ENGIL INFORMS ABOUT A NEW CONTRACT IN BRAZIL WORTH AROUND 250 MILLION EUROS

MOTA-ENGIL S.G.P.S., S.A. (MOTA-ENGIL) informs that its affiliate EMPRESA CONSTRUTORA DO BRASIL has signed a new contract with Petróleo Brasileiro, S.A. (Petrobras), for an amount of approximately R\$1.61 billion, equivalent to approximately 250 million euros.

The new contract, which will have an estimated term of 48 months, includes in its scope the execution of maintenance, construction and assembly services on offshore oil platforms, namely, the piping installation, the manufacture and installation of metal structures, the boiler making (opening and closing of vessels, filters, tanks, towers, heat exchangers), the assembly of scaffolding, the painting, the electrical / instrumentation maintenance and automation.

With this contract, MOTA-ENGIL significantly strengthens its backlog in Brazil, with one of the most important clients in the Oil&Gas sector, for which it has provided several services in recent years, and in a core market where it intends to further strengthen its presence.
