Lisbon, October 24th 2019: EDP – Energias de Portugal, S.A. (“EDP”), through its 82.6% owned subsidiary EDP Renewables North America LLC, has signed a Build & Transfer Agreement with Northern Indiana Public Service Company LLC (“NIPSCO”). The agreement enables the development and construction of EDP’s 302 MW Indiana Crossroads Wind Farm in the U.S. state of Indiana, which is expected to come online by 2021 alongside with the completion of Build & Transfer Agreement.

The completion of this transaction is subject to regulatory approval and other customary closing conditions for a transaction of this nature.

With this new agreement, EDP has now contracted 64% of the ~7.0 GW targeted global capacity build-out for 2019-2022 period, as communicated in the Strategic Update on March 12, 2019.

This information is disclosed pursuant to the terms and for the purposes of the article 17 of Regulation (EU) No. 596/2014 of the European Parliament and of the Council and of article 248-A of the Portuguese Securities code.
