Banco Comercial Português informs about conclusion of evaluation process for strategic scenarios for ActivoBank

Banco Comercial Português, S.A. ("BCP") hereby informs that it has completed today the evaluation of several scenarios to enhance the value of ActivoBank, a leading online bank in Portugal.

It also informs having decided to keep ActivoBank in the BCP Group, given its ability to generate value, especially in the context of the expected evolution of BCP's banking business.

End of announcement

Banco Comercial Português, S.A.
