Current Report no.24/2021

<u>SUBJECT: Creation of additional provisions against legal risk related to FX mortgage</u> loans portfolio

The Management Board of Bank Millennium S.A. ('the Bank') informs that it took a decision to create in its 2Q21 accounts PLN460.1 million of provisions for legal risk connected with FX mortgage loans originated by the Bank. Additional PLN53.6 million provisions will also be created against legal risk related to the loan book originated by Euro Bank but without a bottom line impact. The provisions reflect the continuing negative trends in court decisions, inflow of new court cases and resultant changes in the Bank's risk assessment methodology.

As a result of this level of provisions and despite solid operating performance, the Bank expects a negative net result in the 2^{nd} quarter of 2021.

More information about the legal risk and 2nd quarter financial results will be disclosed in a periodical report scheduled for 26th of July 2021.
