REPORT OF ACTIVITIES FOR THE THIRD QUARTER OF 2007

Net profits achieved 51,8 million of Euros, a decrease of 7,4% if compared to September 2006.

Consolidated Sales and Services increased 24,5% concerning last year, and reached an amount of 693 million of Euros.

EBITDA had a slight decrease of 3,7%, reaching 64 million of Euros, representing 9,2% of Turnover.

Financial Results had a significant increase comparing to the same period last year, attaining an amount of 13 million Euros mainly due to the a major worth resulting from the shares' sale in the Exchange Market, that not only caused a very positive evolution on results from financial investments, but also compensated the negative trend of the exchange rate of American Dollar interest rate facing Euro.

Consolidated Operational Profits increased both in internal and external market, being higher than 717 million of Euros, which reveals a raise of 23,4% facing to the end of the same quarter of 2006.

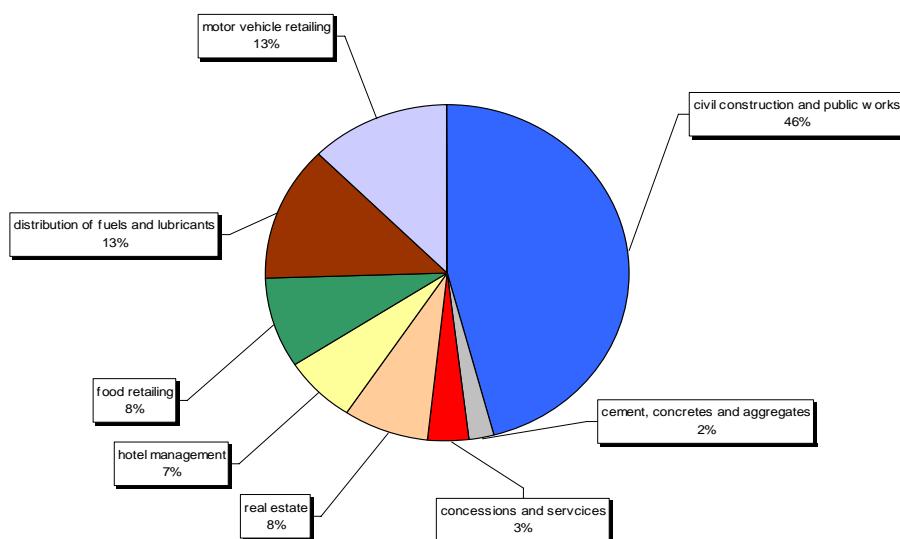

Further to the previously released insertion of seven new companies of distribution of petroleum products' sector within consolidations on March this year, we inform that it had an impact in Consolidated Operational Profits of 20 million Euros.

(mEuros)

Contribution of each business sector for consolidated operational profits was the following:

In this whole, domestic market means 51,5% of global mentioned amount.

In the scope of its business, and proceeding with its assets valuation, in the last nine months under analysis Teixeira Duarte carried on its investments in BCP with 254 million of Euros, acquired a participation aBBVA share capital in the amount of 18 million of Euros and continued investments in real estate, both in Portugal and Brazil, namely "at&goas Park" and "Gaia Nova".

The above mentioned were the most significant hand-outs for the increase of 286 million of Euros Group Loans from Credit Institutions during this period, to which were deducted 9 million of Euros by the changes in consolidation, being the total amount of Loans from Credit Institutions, in the last quarter, of 1.706 million of Euros

This guideline of investments and reinforcement on total share funds allows the company to increase significantly its assets and, on this matter, we consider suitable to add that only financial shares hold at "Banco Comercial Português, S.A." and "CIMPOR - Cimentos de Portugal, SGPS, S.A.", valued in 1.412 million of Euros, further to market quotations on September 30th 2007, added to the already occupied offices in "Lagoas Park", valued in 198 million of Euros, in accordance with a rents capitalization rate of 8% over respective incomes, cover 94,38% of the amount of Group loans from credit institutions.

Further to the above mentioned, we stress that assets increased 13,6% comparing to December 31st 2006 and 0,5% of total stock market equities since that date.

Financial autonomy registered a slight decrease facing September 30th 2006, being of 25,3%.

Lagoas Park, the 29th of November 2007
