**REPORT OF ACTIVITIES FOR THE FIRST QUARTER OF 2008**

Net profits achieved 6.309 million of Euros, a decrease of 68,8% if compared to March 2007.

Consolidated Sales and Services increased 24,9% facing last year, and reached an amount of 268.774 million of Euros.

EBITDA had a slight decrease of 11,7%, reaching 29.922 million of Euros, representing 11,1% of Turnover.

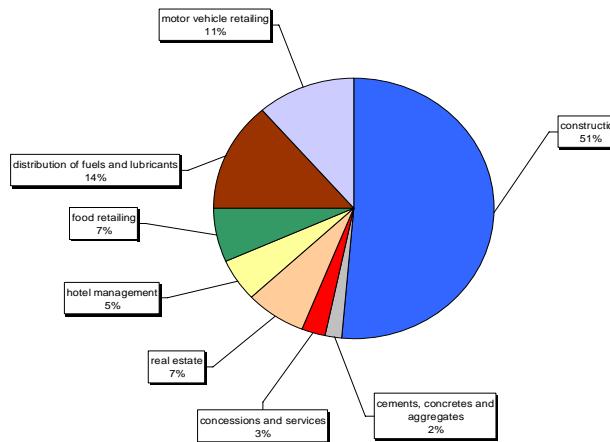

Financial Results had a significant decrease comparing to the same period last year, mainly due to the decrease of American Dollar interest exchange rate and increase on financial charges.

Consolidated Operational Profits increased both in internal and external market, having reached 275.511 million of Euros, which represents an increase of 24,6% facing the end of first 2007 quarter.

Contribution of each business sector for consolidated operational profits was the following:

In this whole, domestic market means 45,4% of global mentioned amount.

In the scope of its business, and proceeding with its assets valuation, in the three months under analysis Teixeira Duarte Group increased its investments in *CIMPOR-Cimentos de Portugal S.G.P.S., S.A.* by 53.258 million of Euros, having by the end of this quarter 21,9% in its share capital, increased participation at *BBVA* share capital in the amount of 10.851, million of Euros, acquired a share in *ALVORADA, S.A.* in the amount of 7.258 million of Euros, continued investments in real estate, namely in Brazil and in Portugal at "Lagoas Park" and several investments in Angolan market.

The above mentioned were the most significant hand-outs for the increase of 167.949 million of Euros Group Loans from Credit Institutions during this period, being the total amount of Loans from Credit Institutions, in this period, of 1.960.395, million of Euros.

This guideline of investments and reinforcement on total share funds allows the company to increase significantly its assets and, on this matter, we consider suitable to add that only financial shares hold at "Banco Comercial Português, S.A." and "CIMPOR - Cimentos de Portugal, SGPS, S.A.", valued in 1.328.483 million of Euros, further to market quotations on March 31st 2008, added to the already occupied offices in "Lagoas Park", valued in 234.113 million of Euros, in accordance with a rents capitalization rate of 8% over respective incomes, cover 79,8% of the amount of Group loans from credit institutions.

Further to the above mentioned, we stress that assets increased 18% comparing to December 31st 2007 while equities had a decrease of 18%, particularly due to the impact of the right value of BCP's participation in the amount of 154.200 million of Euros.

Financial autonomy registered a decrease facing December 31st 2007, being of 21,1%.
