To the Shareholders,

1 July 2016

Notice of Annual General Meeting (“AGM”)

Dear Shareholder,

I enclose for your attention Notice of the AGM of Kenmare, and invite you to join me on 25 July 2016 at The Fitzwilliam Hotel, St. Stephen’s Green, Dublin 2 at 10.00 a.m.

The Board has also convened an Extraordinary General Meeting of the Company (the “**EGM**”) for 10.15 a.m. (or, if later, immediately following the conclusion of the AGM) on the same day and at the same location. Notice of the EGM, and an accompanying explanatory letter from me (the “**EGM Circular**”), is enclosed separately.

The purpose of the EGM, as described in the EGM Circular, is to ask Shareholders to authorise a number of measures which would enable the Board to proceed with a Capital Reorganisation and Capital Restructuring (as those terms are defined in the EGM Circular).

The resolutions to be proposed at the forthcoming AGM are set out in the Notice of AGM on pages 4 to 5 of this circular, with further explanatory notes set out on pages 6 to 11 of this circular.

I would encourage all Shareholders to read the Company’s business and strategy review for 2015 contained in the Annual Report, which is available on www.kenmareresources.com.

In line with Kenmare’s commitment to best practice in corporate governance, all of the Directors will retire and those except for Mr. Anthony Lowrie shall submit themselves for re-election by the shareholders. Anthony has provided great service to the Board and the Company as a Non-Executive Director for the last nine years. Anthony has agreed with the Board that he will resign as a Director of the Company at the conclusion of the AGM and will, accordingly, not stand for re-election at the AGM. I would like to extend my thanks and deep appreciation for all that he has done for the Company.

In July 2015, Mr John Ensall was appointed to the Board as a Non-Executive Director in the role of the lender approved Non-Executive Director, a requirement under the amendment to the Group’s financing arrangements, agreed with lenders on 29 April 2015. John has materially supplemented the skills available to the Board in areas that are highly relevant to the current financial situation of the Company, and has played a constructive role as chairman of the Board’s Strategic Options Committee. In line with Kenmare’s Articles of Association, John will offer himself for election at the AGM, and I recommend him for election by shareholders to the Board.

The performance of the Board is reviewed annually, and each of the Directors has made a substantial contribution to the leadership and governance of the Company during the year. A brief biography of each of the Directors standing for re-election is set out in the notes to the resolutions.

This year, once again and in line with the recommendations of the UK Corporate Governance Code, shareholders are being asked to consider the Directors’ Remuneration Report for the year ended 31 December 2015. The Company has no legal obligation to put such resolution to its shareholders, and the resolution is an advisory resolution which will not be binding on the Company. It is being put to shareholders in accordance with the Company’s commitment to best corporate governance practice and is an acknowledgment of shareholders’ right to have a “Say-on-Pay”.

The other items of special business relate to the renewal for a further 12 month period of share allotment authorities previously given and are matters which are now standard for most public companies.

Your participation at the AGM is important for the Company and I would encourage every shareholder to take part in the meeting, either by attending the AGM or (if you are not able to attend) by casting your vote by proxy. Details of how you can vote, either in person or by proxy, are set out in the general notes to this circular.

Your Board believes that the resolutions to be proposed at the AGM are in the best interests of the Company and its shareholders. Accordingly, the Directors unanimously recommend that shareholders vote in favour of the resolutions, as they intend to do in respect of their own beneficial holdings of shares in the Company.

Yours sincerely,

Steven McTiernan
Chairman

Please bring the attendance card attached to your Form of Proxy and present it at the shareholder registration desk before the commencement of the Annual General Meeting.

Appointment of proxies

- (4) A member entitled to attend, speak and vote at the above meeting is entitled to appoint a proxy to attend, speak and vote on his/her behalf. A member may appoint more than one proxy to attend and vote at the Annual General Meeting in respect of shares held in different securities accounts. A member acting as an intermediary on behalf of one or more clients may grant a proxy to each of its clients or their nominees provided each proxy is appointed to exercise rights attached to different shares held by that member. A proxy need not be a member of the Company.
- (5) A Form of Proxy for use by members is enclosed with this Notice of Annual General Meeting (or is otherwise being delivered to Shareholders). Completion of a Form of Proxy (or submission of proxy instructions electronically) will not prevent a shareholder from attending the Annual General Meeting and voting in person should he or she wish to do so.
- (6) To be valid, the Form of Proxy must be delivered to Computershare Investor Services (Ireland) Limited, PO Box 954, Sandyford, Dublin 18, Ireland (if delivered by post) or at Heron House, Corrig Road, Sandyford Industrial Estate, Dublin 18, Ireland (if delivered by hand) as soon as possible and, in any event, so as to be received not less than forty-eight hours before the time for the holding of the meeting, or any adjournment thereof.
- (7) CREST members who wish to appoint a proxy or proxies by utilising the CREST electronic proxy appointment service may do so for the Annual General Meeting and any adjournment(s) thereof by utilising the procedures described in the CREST Manual. CREST Personal Members or other CREST Sponsored Members, and those CREST Members who have appointed a voting service provider(s), should refer to their CREST Sponsor or voting service provider(s), who will be able to take appropriate action on their behalf.
- (8) In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK and Ireland (EUI)'s specifications and must contain the information required for such instructions, as described in the CREST Manual. The message (whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy) must be transmitted so as to be received by Computershare Investor Services (Ireland) Limited, as issuer's agent, (ID 3RA50) by the latest time(s) for receipt of proxy appointments specified in this notice of meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST.

- (9) CREST members and, where applicable, their CREST sponsors or voting service providers should note that EUI does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST Personal Member or Sponsored Member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
- (10) The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Companies Act 1990 (Uncertificated Securities) Regulations 1996.
- (11) In case of a corporation, the instrument shall be executed either under its common seal or under the hand of an officer or attorney duly authorised on its behalf.
- (12) In the case of joint holders, the vote of the senior who tenders a vote, whether in person or by proxy, will be accepted to the exclusion of the votes of the other registered holder(s) and for this purpose, seniority will be determined by the order in which the names stand in the Register of Members in respect of a joint holding.
- (13) If a proxy is executed under a power of attorney or other authority, such power or authority (or a duly certified copy of any such power or authority) must be deposited with the Company with the Instrument of Proxy.

Action to be taken

- (14) Electronic proxy appointment is available for the Annual General Meeting. This facility enables a Shareholder to lodge its proxy appointment by electronic means by logging on to the website of the Registrars, www.eproxyappointment.com. There will be a Control Number required in addition to the SRN and PIN in order to log into the meeting which will be printed on all Proxy Cards and outlined in the email broadcast to eComms holders. Alternatively, for those who hold Ordinary Shares in CREST, a Shareholder may appoint a proxy by completing and transmitting a CREST Proxy Instruction to Computershare (ID 3RA50). In each case the proxy appointment must be received by no later than 10.00 a.m. on 23 July 2016.

Issued shares and total voting rights

- (15) The total number of issued ordinary shares on the date of this notice of Annual General Meeting is 2,781,905,503. On a vote by show of hands every shareholder who is present in person and every proxy has one vote (but no individual shall have more than one vote). The ordinary resolutions require a simple majority of votes cast by shareholders voting in person or by proxy to be passed. The special resolutions require a majority of not less than 75 per cent. of votes cast by those who vote either in person or by proxy to be passed.

 - the answer has already been given on a website in the form of an answer to a question; or
 - it appears to the Chairman of the Annual General Meeting that it is undesirable in the interests of good order of the meeting that the question be answered.

He was appointed to the Board in July 2015 and is Chairman of the Strategic Options Committee.

Resolution 5: Auditors' remuneration

The Directors are seeking to renew their authority to fix the remuneration of the Auditors for the year ending 31 December 2016.

Resolution 6: General meetings

Shareholders are being asked to renew, until the annual general meeting to be held in 2017, the authority allowing the Company to call a general meeting to consider an ordinary resolution on 14 days' notice. As a matter of policy, the 14 day notice period will only be utilised where the Directors believe that it is merited by the business of the meeting and the circumstances surrounding the business.

Resolution 7: Allotment of shares

At the Annual General Meeting of the Company held in 2015, shareholders gave the Directors a general authority under Section 1021 of the Companies Act, 2014 to allot shares. That authority will expire at the conclusion of the forthcoming Annual General Meeting. Shareholders are therefore being asked to renew the Directors' authority to allot shares in the Company.

By Resolution 7, the Directors will, at the forthcoming Annual General Meeting, seek authority to issue new shares up to a nominal value equal to €55,638,000 (which is equal to approximately one third of the

existing issued ordinary share capital of the Company). The authority will, if renewed, expire at the conclusion of the annual general meeting to be held in 2017 or 15 months after the forthcoming Annual General Meeting, whichever is the earlier. Should Resolution 6 to be proposed at the EGM be passed by Shareholders, the authority would also expire on Admission of the New Ordinary Shares to be issued pursuant to the Capital Raise (as those terms are defined in the document to shareholders of which the Notice of EGM forms part) first becoming effective. The Directors have currently no intention to issue shares pursuant to this authority except for issues of ordinary shares under the Company's share option plan and the KIP. There are no treasury shares in issue.

Resolution 8: Dis-application of pre-emption rights

The power given to the Directors at the 2015 Annual General Meeting to allot shares for cash otherwise than in accordance with statutory pre-emption rights also expires at the conclusion of the forthcoming Annual General Meeting.

Shareholders are therefore also being asked to renew, until the Annual General Meeting to be held in 2017 or 15 months after the forthcoming Annual General Meeting, whichever is the earlier, the Directors' authority to allot shares for cash otherwise than in accordance with statutory pre-emption provisions in the event of a rights issue or in respect of any other issue of equity securities for cash up to an aggregate nominal value equal to approximately 5% of the nominal value of the issued ordinary share capital on the date that the resolution is passed. Should Resolutions 6 and 7 to be proposed at the EGM be passed by Shareholders, the authority would also expire on Admission of the New Ordinary Shares pursuant to the Capital Raise (as those terms are defined in the document to shareholders of which the Notice of EGM forms part) first becoming effective. The Directors have currently no intention to issue shares pursuant to this authority. The Directors would exercise this power only if they consider this to be in the best interests of shareholders generally at the time.
