Proposed Resolutions

Resolution 1: Financial Statements, Annual Report, and affairs of the Company

Resolution 1 is asking members to receive and consider the Financial Statements and the Reports of the Directors and Auditors for the year ended 31 December 2025 and a review of the affairs of the Company. Resolution 1 is an advisory resolution and is not binding on the Company.

Resolution 2: Declaration of Final Dividend

Resolution 2 proposes to declare a final dividend of €0.01835 per ordinary share in the capital of the Company for the year ended 31 December 2025 payable to holders of ordinary shares on the Company's register of members at 5.00pm (Irish time) on 10 April 2026. If approved, the final dividend will be paid to such holders on 19 May 2026.

Resolution 3: Directors' Report on Remuneration

Resolution 3 is asking members to receive and consider the Directors' Report on Remuneration as set out on pages 121 to 125 of the 2025 Annual Report. Resolution 3 is an advisory resolution and is not binding on the Company.

Resolution 4: Directors' Remuneration Policy

The EU Shareholder Rights Directive (the 'Directive') requires listed companies to establish a remuneration policy applicable to the Board of Directors and furthermore requires that it is presented to Shareholders to be voted upon every four years and otherwise when a material change to the policy is proposed. The Directors' Remuneration Policy was last considered by Shareholders at the 2024 AGM. Executive Directors' service contracts are reviewed by the Remuneration Committee and approved by the Board. Executive Directors' contracts currently provide for a 6-month notice-period for all appointments made after 2020. The policy is now being updated to facilitate the harmonisation of notice periods to 11.5 months for Executive Directors. The Board believes this notice period is important to ensure ongoing stability at the executive level for maintaining strategic continuity and facilitating effective succession planning, particularly considering the requirements for effective transition and handover arrangements required under the Irish Senior Executive Accountability Regime. Details of the updated Directors' Remuneration Policy are set out on pages 118 to 120 of the 2025 Annual Report.

Resolution 5: Appointment of Directors

Resolution 5 deals with the re-appointment of Directors. Each of the current Directors will retire from office at the AGM and will offer themselves for re-appointment. The names of the Directors together with a detailed description of the knowledge, experience and skills that each of the Directors brings to the Board are set out on pages 73 to 77 of the 2025 Annual Report.

The re-appointment of each Director will be considered as a separate ordinary resolution. The Board regularly reviews the performance of Directors and is satisfied that all of the Directors proposed for re-appointment have performed effectively and have demonstrated commitment to their respective roles. Details of the process used to evaluate the effectiveness of the Board and of individual Directors are set out on pages 86 to 89 of the 2025 Annual Report.

Resolution 6: Remuneration of the Auditors

Resolution 6 authorises the Directors to determine the remuneration of the Company's Auditors.

Resolution 7: Board authority to allot shares

Resolution 7 seeks to renew the authority of the Directors to allot shares. The UK Investment Association generally supports resolutions seeking authority to allot up to 66.66% of a company's issued share capital (excluding treasury shares) of which any allotment in excess of 33.33% of the issued share capital (excluding treasury shares) is applied to allot shares pursuant to a pre-emptive offer.

Accordingly, Resolution 7 proposes to authorise the Directors to allot shares up to an aggregate nominal value of €181,647,225 (representing approximately 66.66% of the issued ordinary share capital of the Company (excluding treasury shares)) as at 6.00pm on 1 April 2026 of which any allotment in excess of €90,823,613 (representing 33.33% of the issued ordinary share capital of the Company (excluding treasury shares)) as at 6.00pm on 1 April 2026 may be applied to allot shares pursuant to a pre-emptive offer.

If adopted, this authority will expire at the conclusion of the next annual general meeting of the Company or at midnight on the date which is 15 months after the passing of the resolution (whichever is earlier) unless previously varied, revoked or renewed. This resolution is a common one at annual general meetings of companies listed on the main markets of Euronext Dublin and/or the London Stock Exchange and is in line with institutional shareholder guidance.

Resolutions 8 and 9: Disapplication of statutory pre-emption rights in certain circumstances

The Companies Act 2014 sets out pre-emption rights for members where new equity securities (essentially ordinary shares in the case of the Company) are to be allotted for cash. The Companies Act 2014 also provides for these pre-emption rights to be modified or disapplied. The London based Pre-Emption Group has issued guidelines for such modifications or disapplications. These guidelines were revised in March 2015, further updated in May 2016 and more recently revised in November 2022. In the November 2022 version of the guidelines, the guideline threshold for the annual disapplication of pre-emption rights authorities was increased from 10% to 20% of a company's issued share capital, with some additional flexibility for follow-on offers of up to a maximum of an additional 4% of a company's issued share capital in specified circumstances. However, Resolutions 8 and 9 seek authority for the disapplication of pre-emption rights only up to a maximum of 10% of the Company's issued share capital consistent with the 2015 and 2016 guideline thresholds. The Board will keep this under review in future years.

Accordingly Resolution 8 is asking members to renew the Directors' authority to disapply the strict statutory pre-emption provisions in certain circumstances being: (a) rights issues, open offers or other pre-emptive offers and subject thereto by way of placing or otherwise of any shares not taken up in such issue or offer; and/or (b) for allotments (other than by way of pre-emptive offers) up to an aggregate nominal value of €13,624,904 which represents approximately 5% of the total nominal value of the Company's issued ordinary share capital (excluding treasury shares) as at 6.00pm on 1 April 2026.

Furthermore, Resolution 9 is asking members to authorise the Directors to dis-apply the strict statutory pre-emption provisions in additional circumstances, being for allotments (other than by way of pre-emptive offers) up to an additional aggregate nominal value of €13,624,904 which represents approximately a further 5% of the total nominal value of the Company's issued ordinary share capital (excluding treasury shares) as at 6.00pm on 1 April 2026. In accordance with the Pre-Emption Principles, the Board confirms in relation to Resolution 9 that it intends that any use of the authority in excess of 5% of the Company's issued ordinary share capital would be only in connection with an acquisition or specified capital investment within the meaning of the Pre-Emption Principles. For this purpose and reflecting the Pre-Emption Principles, an acquisition or specified capital investment means one that is announced contemporaneously with the issue of share capital, or that has taken place in the preceding six-month period and is disclosed in the announcement of the issue.

If adopted, these authorities will expire at the conclusion of the next annual general meeting of the Company or at midnight on the date which is 15 months after the passing of the resolution (whichever is earlier) unless previously varied, revoked or renewed. These resolutions are common at annual general meetings of companies listed on the main markets of Euronext Dublin and/or the London Stock Exchange and are in line with institutional shareholder guidance and in particular with the Pre-Emption Principles.

Resolution 10: Authority to make market purchases

Resolution 10 is asking members to give the Company (and its subsidiaries) the authority to make market purchases and overseas market purchases provided that the maximum number of ordinary shares authorised to be acquired shall not exceed 10% of the issued ordinary share capital in the Company (excluding treasury shares) as at the date of the passing of this Resolution 10. If adopted, this authority will expire at the conclusion of the next annual general meeting of the Company or at midnight on the date which is 15 months after the passing of the resolution (whichever is earlier) unless previously varied, revoked or renewed.

While the Directors do not have any current intention to exercise this power, this authority and flexibility is being sought as it is common practice for companies listed on the main markets of Euronext Dublin and/or the London Stock Exchange. Furthermore, such purchases would be subject to regulatory approval and made only at price levels which the Directors considered to be in the best interests of the members generally, after taking into account the Company's overall financial position.

In addition, the authority being sought from members will provide that the minimum price (excluding expenses) which may be paid for such shares shall be an amount not less than the nominal value of the shares and the maximum price will be:

- (a) 5% above the higher of the average of the closing prices of the Company's ordinary shares taken from the main market of Euronext Dublin and the average of the closing prices of the Company's ordinary shares taken from the main market of the London Stock Exchange in each case for the five business days (in Dublin and London, respectively, as the case may be) preceding the day the purchase is made (the **Market Purchase Appropriate Price**), or if on any such business day there shall be no dealing of ordinary shares on the trading venue where the purchase is carried out or a closing price is not otherwise available, the Market Purchase Appropriate Price shall be determined by such other method as the Directors shall determine, in their sole discretion, to be fair and reasonable; or, if lower,
- (b) the amount stipulated by Article 3(2) of Commission Delegated Regulation (EU) 2016/1052 relating to regulatory technical standards for the conditions applicable to buy-backs and stabilisation (being the value of such an ordinary share calculated on the basis of the higher of the price quoted for: (i) the last independent trade; and (ii) the highest current independent purchase bid for any number of such ordinary shares on the trading venue(s) where the purchase pursuant to the authority conferred by this Resolution will be carried out).

Resolution 11: Authority to re-allot treasury shares

Resolution 11 is asking members to give the Company the authority to re-allot treasury shares pursuant to Section 1078 of the Companies Act 2014 and the re-allotment price range at which treasury shares may be re-allotted is as follows:

- (a) the maximum price at which a treasury share may be re-allotted off-market shall be an amount equal to 120% of the Treasury Share Appropriate Price; and
- (b) the minimum price at which a treasury share may be re-allotted off-market shall be an amount equal to 95% of the Treasury Share Appropriate Price (provided always that no treasury share shall be re-allotted at a price lower than its nominal value).

If adopted, this authority will expire at the conclusion of the next annual general meeting of the Company or at midnight on the date which is 15 months after the passing of the resolution (whichever is earlier), unless previously varied, revoked or renewed. For the purpose of this resolution, "**Treasury Share Appropriate Price**" means the lower of the average of the closing prices of the Company's ordinary shares taken from the main market of Euronext Dublin and the average of the closing prices of the Company's ordinary shares taken from the main market of the London Stock Exchange in each case for the five business days (in Dublin and in London, respectively, as the case may be) prior to the day the re-allotment is made, or if on any business day there shall be no dealing of ordinary shares on the trading venue or a closing price is not otherwise available, the Treasury Share Appropriate Price shall be determined by such other method as the Directors shall determine, in their sole discretion, to be fair and reasonable.

Resolution 12: Authority to convene certain general meetings on 14 days' notice

Resolution 12 proposes to authorise the Company to convene on 14 clear days' notice, an extraordinary general meeting of the Company solely to consider one or more ordinary resolutions and not a special resolution. The Company's Constitution permits the Company to convene a general meeting of Shareholders (except an annual general meeting or a meeting to consider a special resolution) on 14 clear days' notice. Section 1102 of the Companies Act 2014 statutorily sets this notice period at 21 clear days unless members on an annual basis pass a special resolution to preserve, where appropriate, that shorter notice period contained in the Company's Constitution. The Directors consider that it is in the interests of the Company to retain that flexibility. If this resolution is passed, the Directors will only use the authority where it is merited by the purpose of the meeting and the authority will be effective until the Company's next annual general meeting. This resolution is proposed as a special resolution.

Recommendation

The Board of Directors is satisfied that each of the resolutions set out in the Notice of AGM are in the best interests of the Company and its members as a whole. Accordingly, your Board of Directors unanimously recommends that you vote in favour of each of these resolutions to be proposed at the AGM.

Yours faithfully

Julie O'Neill
Chairperson

Notice of AGM as if Section 1022(1) of the Companies Act 2014 did not apply to any such allotment, such power to be effective from the time of passing of this Resolution and shall expire at the conclusion of the next annual general meeting of the Company after the passing of this Resolution or at midnight on the date which is 15 calendar months after the date of passing this Resolution (whichever is earlier) unless and to the extent that such power is renewed, revoked, or extended prior to such date but in each case, prior to its expiry the Company may make offers, and enter into agreements, which would, or might, require equity securities to be allotted (and treasury shares to be sold) after the authority expires and the Directors may allot equity securities (and sell treasury shares) under any such offer or agreement as if the authority had not expired; and:

- (a) such power shall be limited to the allotment of equity securities up to a maximum aggregate nominal value of €13,624,904 which represents approximately 5% of the issued ordinary share capital of the Company (excluding treasury shares) as at 6.00pm on 1 April 2026, and

10 That pursuant to Section 1074 of the Companies Act 2014, the Company and any subsidiary of the Company be and they are each hereby generally authorised to make market purchases and overseas market purchases (in each case as defined by Section 1072 of that Act) of ordinary shares in the capital of the Company on such terms and conditions and in such manner as the Directors may, in their discretion, determine from time to time; but subject however to the provisions of that Act and to the following restrictions and provisions:

- (a) the maximum number of ordinary shares authorised to be acquired shall not exceed 10% of the ordinary share capital in issue in the Company (excluding treasury shares) as at 6.00pm on the day on which this Resolution is passed;
- (b) the minimum price (excluding expenses) which may be paid for any ordinary share shall be an amount equal to the nominal value thereof; and
- (c) the maximum price (excluding expenses) which may be paid for any ordinary share shall be:
 - (i) 5% above the higher of the average of the closing prices of the Company's ordinary shares taken from the main market of Euronext Dublin and the average of the closing prices of the Company's ordinary shares taken from the main market of the London Stock Exchange in each case for the five business days (in Dublin and London, respectively, as the case may be) preceding the day the purchase is made (the **Market Purchase Appropriate Price**), or if on any such business day there shall be no dealing of ordinary shares on the trading venue where the purchase is carried out or a closing price is not otherwise available, the Market Purchase Appropriate Price shall be determined by such other method as the Directors shall determine, in their sole discretion, to be fair and reasonable; or, if lower,
 - (ii) the amount stipulated by Article 3(2) of Commission Delegated Regulation (EU) 2016/1052 relating to regulatory technical standards for the conditions applicable to buy-backs programmes and stabilisation measures (being the value of an ordinary share calculated on the basis of the higher of the price quoted for: (i) the last independent trade, and (ii) the highest current independent purchase bid for, any number of ordinary shares on the trading venue(s) where the purchase pursuant to the authority conferred by this resolution will be carried out);

(d) such authority shall expire at the conclusion of the next annual general meeting of the Company after the date of passing this Resolution or at midnight on the date which is 15 calendar months after the date of passing this Resolution (whichever is earlier), unless previously varied, revoked or renewed by special resolution in accordance with the provisions of Section 1074 of the Companies Act 2014; and

(e) the Company may, before such expiry, enter into a contract for the purchase of ordinary shares which would or might be executed wholly or partly after such expiry and may complete any such contract as if the authority conferred hereby had not expired.

11 That for the purposes of Section 1078 of the Companies Act 2014, the re-allotment price range at which any treasury shares (as defined by Section 106 of that Act) for the time being held by the Company may be re-allotted off-market shall be as follows:

(a) the maximum price (excluding expenses) at which a treasury share may be re-allotted off-market shall be an amount equal to 120% of the Treasury Share Appropriate Price; and

(b) the minimum price (excluding expenses) at which a treasury share may be re-allotted off-market shall be the nominal value of the share where such a share is required to satisfy an obligation under an employee share scheme (as defined in the Listing Rules issued by Euronext Dublin) operated by the Company, or in all other cases shall be an amount equal to 95% of the Treasury Share Appropriate Price (provided always that no treasury share shall be allotted at a price lower than its nominal value); and

(c) for the purposes of sub-paragraphs (a) and (b), the expression "**Treasury Share Appropriate Price**" shall mean the lower of the average of the closing prices of the Company's ordinary shares taken from the main market of Euronext Dublin and the average of the closing prices of the Company's ordinary shares taken from the main market of the London Stock Exchange in each case for the five business days (in Dublin and in London, respectively, as the case may be) prior to the day the re-allotment is made, or if on any business day there shall be no dealing of ordinary shares on the trading venue or a closing price is not otherwise available, the Treasury Share Appropriate Price shall be determined by such other method as the Directors shall determine, in their sole discretion, to be fair and reasonable.

The authority hereby conferred shall expire at the conclusion of the next annual general meeting of the Company or at midnight on the date which is 15 months after the passing of the resolution, whichever is the earlier, unless previously varied, revoked or renewed by special resolution. The Company may before such expiry make a contract for the re-allotment of treasury shares which would or might be wholly or partly executed after such expiry and may make a re-issue or re-allotment of treasury shares pursuant to any such contract as if the authority hereby conferred had not expired.

12 That, subject to and in accordance with Section 1102 of the Companies Act 2014, the Directors be and are hereby generally and unconditionally authorised to call a general meeting, other than an annual general meeting or a meeting for the passing of a special resolution, on not less than 14 clear days' notice (as defined in the Constitution of the Company). The authority hereby conferred shall expire at the conclusion of the next annual general meeting of the Company held after the date of the passing of this resolution unless previously renewed, varied or revoked by the Company in general meeting.

- 3 A member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend, speak, ask questions, vote and demand or join a demand for a poll on his or her or its behalf at the AGM or any adjourned AGM. The process for appointing a proxy is set out in further detail below. A member may appoint more than one proxy to attend, speak, ask questions, vote and demand or join a demand for a poll at the AGM or any adjourned AGM in respect of shares held in different securities' accounts. A member acting as an intermediary on behalf of one or more clients may grant a proxy to each of its clients or their nominees and such intermediary may cast votes attaching to some of the shares differently from other shares held by it. A proxy shall be bound by the Constitution of the Company. The appointment of a proxy will entitle the proxy to attend, speak, ask questions, vote, demand and join in a demand for a poll on the member's behalf at the AGM or at any adjournment of such AGM. A proxy need not be a member of the Company. If you wish to appoint more than one proxy please contact the Registrars of the Company, MUFG Corporate Markets Limited on +353 1 5530050. The return of a Proxy Form will not preclude any member from attending the AGM, speaking, asking questions and voting in person should he/she wish to do so.

PROXY VOTING BY BOOK-ENTRY HOLDERS

- 4 Shareholders whose ownership is directly recorded on our register of members (i.e. those shareholders who hold in book-entry form and are directly registered on our register of members), subject to the Constitution of the Company and provided it is received not less than 48 hours before the time appointed for the holding of the AGM or adjourned AGM or (in the case of a poll taken otherwise than at or on the same day as the AGM or adjourned AGM) at least 48 hours before the taking of the poll at which it is to be used, the appointment of a proxy may:
 - (a) be submitted electronically, subject to the terms and conditions of electronic voting, via the internet by accessing the AGM page on the Company's website, www.permanenttsbgroup.ie or via the shareholder portal on the MUFG Corporate Markets Limited website www.signalshares.com; or
 - (b) by post to MUFG Corporate Markets Limited (PTSBGH), P.O. Box 7117, Dublin 2, Ireland; or

(c) by hand during normal business hours to MUFG Corporate Markets Limited, Suite 149, The Capel Building, Mary's Abbey, Dublin 7, D07 DP79, Ireland.

Additionally, MUFG Corporate Markets Limited has launched a shareholder app: Vote+. The app is free to download and use and gives shareholders the ability to access their shareholding record at any time and allows users to submit a proxy appointment quickly and easily online rather than through the post. The app is available to download on both the Apple App Store and Google Play, or by scanning the relevant QR code below.

- 5 In the case of a corporation, the Form of Proxy must be either executed under its common seal, signed on its behalf by a duly authorised officer or attorney, or submitted electronically in accordance with Note 4. In the case of an individual, the Form of Proxy must be signed by the appointor or his or her attorney or submitted electronically in accordance with Note 4. Any original power of attorney or authority under which an individual or corporation executed the Form of Proxy must be submitted with the Form of Proxy in accordance with Note 4.
- 6 On any other business which may properly come before the AGM, or any adjournment thereof, and whether procedural, administrative or substantive in nature (including without limitation any motion to amend a resolution or adjourn the meeting) not specified in this Notice of AGM, the proxy will act at his/her discretion.
- 7 If you intend to appoint a proxy other than the Chair of the AGM, we would ask that, as a contingency measure, you would additionally appoint the Chair of the AGM as an alternative in the event the initially intended proxy is unable to attend for any reason (and does not appoint a substitute). This will facilitate your vote being included in a wider range of contingent scenarios. If you are appointing a proxy other than the Chair of the AGM (or any adjournment thereof) or any other officer of the Company, where possible please provide him/her with the Attendance Card attached hereto to facilitate his/her attendance.
- 8 In addition, a proxy shall be entitled, with your prior consent, to nominate and appoint a substitute (**Substitute Proxy**) for him or her for any of the purposes contemplated by the Form of Proxy with liberty to revoke any such appointment at his or her discretion. A proxy shall provide any Substitute Proxy with a copy (electronic or otherwise) of the Form of Proxy. A Substitute Proxy shall be bound, and act in all respects, as a proxy is and would in accordance with the terms of the Form of Proxy and, on appointment of a Substitute Proxy, all references to 'proxy' herein shall be construed as references to 'Substitute Proxy'.
- 9 Persons who hold their interests in ordinary shares as Belgian law rights through the Euroclear Bank System or as CDIs should consult with their stockbroker or other intermediary at the earliest opportunity for further information on the processes and timelines for submitting proxy votes for the AGM via the respective systems. For voting services offered by custodians holding Irish corporate securities directly with Euroclear Bank, please contact your custodian directly.

- (b) a proxy voting instruction to appoint a third party (other than Euroclear Nominees / the Chair of the AGM) to attend the meeting and vote for the number of ordinary shares specified in the proxy voting instruction.

- 11 Euroclear Bank will, wherever practical, seek a voting instruction deadline of one hour prior to the Company's proxy appointment deadline. Your attention is drawn to the EB Services Description in this regard.
- 12 Voting instructions cannot be changed or cancelled after Euroclear Bank's voting instruction deadline. Neither is there a facility to offer a letter of representation or appoint a corporate representative other than via the process of appointing a third party proxy described at Note 10(b) above.
- 13 EB Participants are strongly encouraged to familiarise themselves with the arrangements with Euroclear Bank, including voting deadlines and procedures.

FURTHER INFORMATION FOR CREST MEMBERS HOLDING CDIs

- 14 Euroclear UK & International (**EUI**), the operator of the CREST system has arranged for voting instructions relating to CDIs held in CREST to be received via a third-party service provider, Broadridge Financial Solutions Limited (**Broadridge**). Further details on this service are set out in the 'All you need know about SRD II in Euroclear UK & International' which can be found at this webpage <https://my.euroclear.com/users/en/login.html>. Once registered, please see, in particular, the section entitled 'CREST International Service - Proxy voting/1'. CREST members can complete and submit proxy appointments (including voting instructions) electronically through Broadridge.
- 15 If you hold CDIs you will be required to make use of the Euroclear UK & International proxy voting service facilitated on EUI's behalf by Broadridge Global Proxy Voting service in order to receive meeting announcements and send back voting instructions as required.
- 16 To facilitate client set up, if you hold CDIs and wish to participate in the proxy voting service, you will need to complete the following documentation which can be found at the following web address: <https://my.euroclear.com/users/en/login.html>.
- 17 Completed application forms should be returned to EUI by an authorised signatory with another relevant authorised signatory.
- 18 Fully completed and returned application forms will be shared with Broadridge by EUI. This will enable Broadridge to contact you and share further detailed information on the service offering and initiate the process for granting your access to the Broadridge platform.

- 19 The voting service will process and deliver proxy voting instructions received in respect of CDIs on the Broadridge voting deadline date to Euroclear Bank by its cut-off and to agreed market requirements. The same voting options as described above for EB Participants will be available (i.e. electronic votes by means of Chair proxy appointments or appointing a third party proxy). Broadridge's voting instruction submission deadline will accordingly be earlier than the Euroclear Bank voting instruction submission deadline as set out above.
- 20 Voting instructions cannot be changed or cancelled after Broadridge's voting deadline. Neither is there a facility to offer a letter of representation or appoint a corporate representative other than through the submission of third party proxy appointment instructions.
- 21 CREST members with holdings of CDIs are strongly encouraged to familiarise themselves with the arrangements with Broadridge, including the voting deadlines and procedures and to take, as soon as possible, any further actions required by Broadridge before they can avail of this voting service.
