About Greencoat Renewables PLC

Greencoat Renewables PLC is an investor in euro-denominated renewable energy infrastructure assets. Initially focused solely on the acquisition and management of operating wind farms in Ireland, the Company has expanded to invest in wind and solar assets across other European countries with stable and robust renewable energy frameworks. It has recently broadened its strategy with the launch of a green digital infrastructure platform targeting renewably powered data centre developments in Ireland and across Europe.

Greencoat Renewables is managed by Schroders Greencoat LLP, an experienced investment manager in the listed renewable and energy infrastructure sector.
