#### Manoel Island

Reference is made to the decision by the Environment & Planning Review Tribunal ("EPRT") published on 17<sup>th</sup> June 2020, wherein the EPRT concluded that there was a breach in the Environment Impact Assessment ("EIA") in respect of the revised Outline Development Permit for Manoel Island (PA9407/17) which had been approved by the Planning Authority ("PA") on the 20<sup>th</sup> March 2019.

The EPRT decided that a fresh EIA must be submitted by the Company to the Environment Resources Authority ("ERA") in order for the PA to reconsider the application.

The Company remains fully committed to the Manoel Island project and the development of the site as contemplated in the deed of emphyteusis entered into with Government on the 15<sup>th</sup> June 2000. The Company will keep the market updated with any developments as they arise in accordance with its regulatory obligations.
