Notes to Financial Statements

- * 1 AD Plastik bought land and building on location Solin during 2010.
- *2 Long term financial assets is bigger because of investment increase in Fuarecia ADP Holding and given long term loan to Faurecia ADP Luga. Beside that in this line there are results from associated companies based on equity method (EURO APS, Faurecia ADP Holding and SG Plastik).
- *3 There was an decrease in inventory in parent Company and because of inventory sales in company ADP Luga.
- *4 There was decrease in short term loans and liabilities, and increase in short term liabilities for received prepayments on a name of tooling for new projects.
- *5 Increase in other operating income relate to selling of assets in ADP Luga. The difference between income and expenses has no impact on result of the Group.
- *6 Material expenses increase is result of production increase, selling of inventory in ADP Luga Russia and change of product range.
- *7 Provisions are calculated because of potential risks of litigation, unused vacation and severance pay in parent Company.
- *8 Other operating costs include unamortized value of sold long-term assets in ADP Luga.
- *9 Financial income and expenses relate to interests, foreign exchange differences and shares in result in associated companied according to equity method (EURO APS, Faurecia FADP Holding and SGP).
- *10 Purchase of non-current assets relate to investments in land, buildings, equipment and intangible assets in parent Company and also investments in building and equipment in ZAO PHR.
- *11 Purchase of non-current financial assets relate mostly to investment increase in Faurecia ADP Holding.

d) Statement of the person responsible for drafting the financial reports

According to my best knowledge:

- Short set of unaudited consolidated quarterly financial reports for the period: 01.0T. to 31.12.2010, were implemented with corresponding reporting standards, giving a complete and truthful overview of the asset, liabilities, profit and loss, financial status and operations of the issuer and the companies who was included in the consolidation,
- Report contains truthful overview of the development and business results and issuer status
 and the companies who were included in the consolidation, with a description of
 significant risks and uncertainties to which the issuer and the companies are exposed as a
 whole.
