Voting Shares Listed on Nasdaq Iceland at the Annual Meeting

Stockholders who held JBT Marel Corporation shares listed on Nasdaq Iceland on March 18, 2025 (the record date for the Annual Meeting of Stockholders) wishing to provide voting instructions for their shares at the Annual Meeting will be required to register and leave voting instructions on this website <https://www.lumiconnect.com/meeting/jbtmarelcorporation2025> (the LUMI platform) to have their ownership on the record date and right to vote confirmed and vote their shares. Specifically, stockholders whose shares are listed on Nasdaq Iceland seeking to register to vote at JBT Marel Corporation's Annual Meeting must provide the requested mandatory information and upload a photo of a valid ID and completed voting instructions on the LUMI platform. A voting instruction form to be completed and uploaded can be downloaded on the website. Persons wishing to vote stock by way of proxy and representing multiple accounts will have to upload a valid power of attorney or proxy, as applicable. If the information uploaded by a stockholder does not permit the company to verify the ownership or authority of a person to vote shares of JBT Marel Corporation, the voting instructions received will not be accepted. Stockholders should take special care to provide the correct email address and mobile phone number during registration to facilitate follow up in the event of an issue with authentication.

Registration to vote shares at the Annual Meeting is now open, but will close on May 8, 2025 at 5:00 p.m. GMT. Stockholders are urged to register and vote early in order to allow time to resolve any issues with the validation process.

Nasdaq Iceland listed shares may not be voted during the Annual Meeting. Only those votes that are received on the LUMI platform before 11:59 p.m. GMT on May 8, 2025 (cut-off time) will be accepted. Voting instructions received after the cut-off time will not be accepted and, therefore, will not result in those shares being represented at the Annual Meeting for any purpose including the achievement of quorum.

JBT Marel Corporation takes no responsibility for stockholders not being able to access the LUMI platform in time to submit voting instructions before the Annual Meeting, due to technical difficulties, inability to validate ownership or authority to vote, or other problems that may arise and prevent them from voting through the platform. JBT Marel Corporation also assumes no responsibility for ensuring that any bank, broker or other intermediary through which a stockholder holding shares listed on Nasdaq Iceland beneficially owns those shares will remit or otherwise honor voting instructions provided via the LUMI platform or that those instructions will result in those shares being considered voted or present at JBT Marel Corporation's Annual Meeting. Stockholders should direct questions about the transmission of their voting instructions to the bank, broker or other intermediary through which they hold their shares.

**** Please note if the shares of JBT Marel Corporation you hold and wish to vote are listed on the NYSE and not on Nasdaq Iceland, then these instructions do not apply. Stockholders holding NYSE listed shares will have already received different instructions for voting those shares through the U.S. proxy voting process.**
