Title	Enefit Green signed a contract with Nordex for the supply and maintenance of wind turbines

On 18 January 2023, Enefit Green signed a contract with the wind turbine manufacturer Nordex for the supply, erection and maintenance of wind turbines for the Sopi-Tootsi wind farm. Nordex supplies 38 wind turbines with a nominal capacity of 6.8MW each and will provide maintenance during the following 30-year period. The estimated total cost of the supply and maintenance contract is EUR 346 million. This agreement is part of the implementation of the final investment decision of the Sopi-Tootsi wind farm, which was published on 22 December 2022.

With 35 years of experience and 9000 employees, Nordex SE is one of the world's largest manufacturers of wind turbines, headquartered in Germany. Nordex has supplied and installed wind turbines with a total capacity of 41 GW to more than 40 countries. Nordex shares are listed on the Frankfurt Stock Exchange.
