Title	AS Harju Elekter comments on trading activity of its stock

AS Harju Elekter notes that the rapid growth of the company's share price and trading activity on the Nasdaq Tallinn Stock Exchange may be related to recent press reports on the operating prospects of Skeleton Technologies Group OÜ.

AS Harju Elekter made this long-term strategic investment in Skeleton Technologies Group OÜ, a company engaged in the development and production of supercapacitors, already in 2015. Harju Elekter's shareholding in the company is 7.64%.
