## Currency

Title Change in the business name and the articles of association of the subsidiary of Harju Elekter

Today, the new business name of AS Harju Elekter Elektrotehnika, AS Harju Elekter, was entered into the commercial register. The new wording of the articles of association, which reflects the change of business name, was also approved.

With the change of AS Harju Elekter Elektrotehnika's business name to AS Harju Elekter, the harmonization of the business names of subsidiaries of AS Harju Elekter Group is complete. From today, all subsidiaries engaged in core activities bear the name Harju Elekter, in order to create greater clarity for the group's stakeholders in different countries.

Harju Elekter is an international industrial group with extensive experience in providing future proof solutions for electrical power distribution. We engineer, manufacture, and install electrification solutions for utilities, industries, infrastructure, public and commercial buildings. The entities of Harju Elekter Group in Estonia, Finland, Sweden, and Lithuania employ around 900 people, and the Group's revenue in 2022 was 175.3 million euros.
