Title Short-term charter agreements

AS Tallink Grupp and Slaapschepen Public BV, an organisation nominated by Centraal Orgaan Opvang Asielzoekers (COA) in the Netherlands, have signed short-term time-charter agreements for two vessels to provide temporary accommodation in the Netherlands.

Silja Europa (currently on Tallinn-Helsinki route) will be chartered after the end of the summer high-season from 20 August 2022 for seven months with an option to extend the charter agreement for another three months.

Galaxy (currently on Turku-Stockholm route) will be chartered from 20 September 2022 for seven months with an option to extend the charter agreement for another three months.
