**16 Financial assets and liabilities and risk management**

**Credit risk**

The Group and the Company do not have any credit concentration risk because it works with a large number of customers.

The Group and the Company do not guarantee obligations of the other parties.

With respect to trade receivables and other receivables that are neither impaired nor past due, there are no indications as of the reporting date that the debtors will not meet their payments obligations since receivables balances are monitored on an ongoing basis. The Group and the Company consider that its maximum exposure is reflected by the amount of trade receivables, net of allowance for doubtful accounts recognised at the balance sheet date.

With respect to credit risk arising from the other financial assets of the Group and the Company, which comprise cash and cash equivalents and available-for-sale financial investments, the Group's and the Company's exposure to credit risk arises from default of the counterparty, with a maximum exposure equal to the carrying amount of these instruments.

#### Interest rate risk

All of the Group's and the Company's borrowings are at variable interest rates, therefore the Group and the Company faces an interest rate risk. In 31 March 2008 the Group and the Company did not have financial instruments for managing the interest rate risk.

#### Liquidity risk

The Group's and the Company's policy is to maintain sufficient cash and cash equivalents or have available funding through an adequate amount of overdrafts and committed credit facilities to meet its commitments at a given date in accordance with its strategic plans. The Group's liquidity (total current assets / total current liabilities) and quick ratios ((total current assets - inventories) / total current liabilities) as of 31 March 2008 were 1,33 and 1,20, respectively (0,86 and 0,75 as of 31 December 2007). The Company's liquidity and quick ratios as of 31 March 2008 were 1,31 and 1,19 (0,85 and 0,75 as of 31 December 2007).

#### Foreign currency risk
