Significant events to be reported:

Formulating an annulment appeal against the decision pronounced by the High Court of Cassation and Justice on 25 February 2022 in file 3889/2/2018.

Electrica informs the shareholders about the fact that Societatea Energetică Electrica S.A. (ELSA) filed an annulment appeal against civil decision no. 5599 of 22 November 2022, by which the High Court of Cassation and Justice rejected the appeal declared by ELSA against Sentence no. 707/2019, pronounced by the Bucharest Court of Appeal in file no. 3889/2/2018.

The file no. 3889/2/2018 has as object the annulment of the Competition Council Decision no. 77/20.12.2017, and in the alternative, the reduction of the fine established for ELSA up to the minimum legal level of 0.5% of ELSA's turnover, by re-individualizing the alleged anti-competitive act, with the retention and full capitalization of all mitigating circumstances applicable to ELSA.

By the Decision of the Competition Council no. 77/20.12.2017 was found the breaching of the provisions of art. 5 par. (1) of the Competition Law no. 21/1996 and art. 101 par. (1) TFEU by several companies which have sold meters and related measuring equipment for electricity in Romania, in the procedures for the award of supply contracts in the period from 27 November 2008 to 30 September 2015 and by Electrica, as a facilitator, in the period from 24 November 2010 to 30 September 2015.

The sanction applied to Electrica consists in a fine amounting to 10,800,984.04 lei (paid by ELSA), representing 2.98% of the total turnover achieved in the financial year 2016. In determining the amount of the fine, it was taken into account that (i) Electrica cooperated fully and effectively with the

Public

Competition Council during the investigation procedure, outside the scope of the leniency policy and beyond the legal duty to cooperate, and (ii) it is for the very first time when the authority retains the role of facilitator for a company organizing public procurement procedures.

On the merits of the case that was the subject of file 3889/2/2018, by Sentence no. 707/25.02.2019, the Bucharest Court of Appeal rejected the annulment action as unfounded, and the High Court of Cassation and Justice rejected the appeal declared by ELSA against the above sentence.
