Attending the General Shareholders Meetings

The access of the shareholders registered with the shareholders registry at the Reference Date having the right to attend the Meetings is permitted with a simple proof of their identity, secured (i) in case of shareholders who are individuals, based on their identification document, or (ii) in case of shareholders that are legal persons, based on the identification documents of the legal representative thereof, and (iii) in case of represented shareholders who are individuals or legal persons, based on the power of attorney granted to the persons representing the shareholder, in compliance with the applicable law.

The shareholders registered at the Reference Date with the Company's shareholders registry kept by Depozitarul Central S.A. are allowed to attend in person or by representation in the Meetings, each shareholder being entitled to appoint any individual or legal person as representative to attend and vote on their behalf in the OGSM and/or EGSM, in compliance with the provisions of art. 105 of Law no. 24/2017.

A shareholder may appoint one person to represent them in the OGSM and/or EGSM. Nevertheless, if the shares in the Company held by the shareholder are registered in several securities accounts, this restriction will not prevent the shareholder to appoint one representative in the Meetings separately for the shares held in each securities account. Nevertheless, the shareholder is prohibited from exercising different votes in respect of the shares held in the Company's share capital.

If attending by representation, the shareholder shall appoint a representative via a special proxy issued on a basis of the template made available by the Company to shareholders, in Romanian and English languages both, or via a general proxy issued in accordance with the provisions below. A shareholder may appoint via proxy one or several substitute representatives to secure their representation in the OGSM and/or EGSM, if the primary representative cannot fulfil the mandate. If several substitute representatives are listed, the proxy shall also specify the order in which they are to exercise the mandate.

If the shareholder is represented by a custodian credit institution, such institution shall vote in the OGSM and/or EGSM based on the voting instructions received by electronic communication channels, without a special or general proxy being required to be issued by the shareholder. The custodian shall vote in the Meetings exclusively within the limits of the instructions received from its clients who are shareholders in the Company at the Reference Date.

If proposals are being discussed in the OGSM and/or EGSM that, in accordance with the applicable law, are not included in the published agenda, the representative shall vote on such proposals taking into account the interest of the represented shareholder.

The Special proxy

The Special proxy is valid only for the Meeting for which it has been issued. The Special proxy shall be issued only on the basis of the Special proxy template made available to shareholders by the Company, as referred to in section *Other provisions concerning the Meetings* below.

The representative has the obligation to vote in accordance with the instructions given by the shareholder appointing them. The Special proxies shall include specific voting instructions for each proposal on the agenda of the Meeting.
